

The background of the cover is a textured painting. It features a diagonal line of barbed wire fence running from the top left towards the middle right. The colors are a mix of vibrant reds, oranges, yellows, and greens, suggesting a landscape or a scene of conflict. The overall mood is somber and intense.

Chinas Long March 6000 Miles Of Danger:

China's Long March Jean Fritz,1988 Describes the events of the 6 000 mile march undertaken by Mao Zedong and his Communist followers as they retreated before the forces of Chiang Kai shek *The Long March 1934-35* Benjamin Lai,2019-09-19 This study tells the epic story of how a routed group of Chinese Communists marched tens of thousands of miles with Mao on a journey that would lead to their eventual triumph and rule of the whole of China Historical Dictionary of Modern China (1800-1949) James Z. Gao,2009-06-16 The Historical Dictionary of Modern China 1800 1949 offers a concise but comprehensive examination of the political military economic social and cultural development of modern China Instead of focusing merely on the political elites of China this reference covers a variety of significant persons including women and ethnic minorities new historical concepts cultural and educational institutions and economic activities Drawing on newly available records including a large mass of governmental and family archives the narratives presented reveal new facts offer a new interpretation in accordance with China s modernization process during the late Qing period and a revisionist perspective on the Republican history The chronology records not only political and military events but also other experiences of the Chinese people The bibliography gives prominence to current literature on China s drive towards modernization and appendixes provide the reader with detailed information on China s cultural and economic transformation

Historical Dictionary of the People's Republic of China Lawrence R. Sullivan,2007-05-23 When the Chinese Communist Party CCP seized power in October 1949 China was one of the poorest nations in the world In fact it was so weak it had been conquered by Japan a country one tenth its size a decade earlier Now more than fifty years later the People s Republic of China PRC is an emerging economic political and military superpower with the world s fastest growing economy and largest population 1 3 billion in 2005 A member of the United Nations Security Council since the early 1970s and a nuclear power China wields enormous influence in the world community The second edition of the Historical Dictionary of the People s Republic of China contains more than 400 cross referenced dictionary entries on individual topics spanning China s political economic and social system along with short biographies on important figures from politicians to writers and movie directors who have shaped Chinese history during the period of Communist rule from 1949 to 2006 Supplementing the entries are a chronology an introduction charts outlining the structure of the Chinese government and a bibliography of works in English making this a superb resource for college and high school students needing a quick reference on contemporary China *China at War* Xiaobing Li,2012-01-10 This comprehensive volume traces the Chinese military and its experiences over the past 2 500 years describing clashes with other kingdoms and nations as well as internal rebellions and revolutions As the first book of its kind China at War An Encyclopedia expands far beyond the conventional military history book that is focused on describing key wars battles military leaders and influential events Author Xiaobing Li an expert writer in the subjects of Asian history and military affairs provides not only a broad chronological account of China s long

military history but also addresses Chinese values concepts and attitudes regarding war As a result readers can better understand the wider sociopolitical history of the most populous and one of the largest countries in the world and grasp the complex security concerns and strategic calculations often behind China's decision making process This encyclopedia contains an introductory essay written to place the reference entries within a larger contextual framework allowing students to compare Chinese with Western and American views and approaches to war Topics among the hundreds of entries by experts in the field include Sunzi's classic *The Art of War* Mao Zedong's guerrilla warfare in the 20th century Chinese involvement in the Korean War and Vietnam War and China's nuclear program in the 21st century
