Quotable San Francisco Terry Hamburg, 2015-10-26 A treasury of quotes from San Franciscans and about San Francisco from the gold rush to the tech boom San Francisco is forty nine square miles surrounded by reality Paul Kantner Jefferson Airplane San Francisco surged from hamlet to boomtown overnight the most meteoric instant city in history From the Gold Rush to the Tech Rush it s been the site of daring innovations counterculture upheavals and social rebellions that shaped generations And over the decades residents have offered unique perspectives through journals letters and newspapers their words bringing another time to life Discover San Francisco through the eyes of miners and ladies of the night Relive the experiences of robber barons and beatniks who flourished in a tiny corner of the world with fewer than one million souls With commentary historical background and extraordinary images historians Terry Hamburg and Richard Hansen guide you through these colorful quotes showing the city as it once was and what it aspired to be An Enduring Heritage , 1976

Historic San Francisco Jonathan Cook, 2016-10-29 San Francisco is often considered the most beautiful city in the world and is home to a diverse population that pushes the boundaries of social constructs But San Francisco has not always been the city that you see today In fact most of what we know and see of the city did not exist prior to the California Gold Rush of 1849 and the few years of gold fever that followed The San Francisco we know today is relatively young and has been remodeled more than once over the years This book will bring to you in pictures and text a history of San Francisco of which most people are unaware Even San Francisco history buffs should find something new in these pages Visit the author s website for more books as well as links to art and prints from the author s books <https://sites.google.com/site>
