**The Art of Record Production** Simon Zagorski-Thomas,Katia Isakoff,Serge Lacasse,Sophie Stévançe,2016-04-01 The playback of recordings is the primary means of experiencing music in contemporary society and in recent years classical musicologists and popular music theorists have begun to examine the ways in which the production of recordings affects not just the sound of the final product but also musical aesthetics more generally Record production can indeed be treated as part of the creative process of composition At the same time training in the use of these forms of technology has moved from an apprentice based system into university education Musical education and music research are thus intersecting to produce a new academic field the history and analysis of the production of recorded music This book is designed as a general introductory reader a text book for undergraduate degree courses studying the creative processes involved in the production of recorded music The aim is to introduce students to the variety of approaches and methodologies that are currently being employed by scholars in this field The book is divided into three sections covering historical approaches theoretical approaches and case studies and practice There are also three interludes of commentary on the academic contributions from leading record producers and other industry professionals This collection gives students and scholars a broad overview of the way in which academics from the analytical and practice based areas of the university system can be brought together with industry professionals to explore the ways in which this new academic field should progress

*Coproduction* Robert Wilsmore,Christopher Johnson,2022-05-30 Coproduction is dedicated specifically to the study of an emerging field in music production musicology It explores the limits of what this field might be from the workings of a few individuals producing music together in the studio to vast contributions of whole societies producing popular music Taking a wide ranging approach to examining the field Coproduction looks through multiple formats including essays interviews and case studies with analysis and commentary of coproduction experiences at Abbey Road studios It does so by examining multiple

disciplines from social science and coproduction in mental health to philosophy and mathematics At its extremes which is the extreme middle and not the blunt cutting edge the authors attempt to produce every song in their development of an all encompassing pop music concept peculiarly called Toast theory In attempting to unite the pragmatic collaborative patterns of Vera John Steiner with philosophical postmodernist concepts of connection Coproduction has something to offer readers interested in the traditional workings of teams of producers as well as those seeking to understand the wider philosophy of collaboration in music production

Confessions of a Record Producer Moses Avalon,2009-05 It started out as rage against self serving insider books by

executives Not until Moses Avalon wrote from the viewpoint of those on the creative side did we finally get a fair and balanced view of how the music business really works It s been 10 years since Confessions of a Record Producer published real life numbers showing what artists made on so called hit records and how producers labels managers and even the artists own lawyers conspire to cheat them out of royalties Since then Confessions has made it onto the required reading list in nearly all major music business programs around the world including NYU UCLA USC Full Sail and prestigious law schools like Loyola It s stayed in the top 10% of all books distributed by Amazon and won testimonials from top industry pros confirming that it s the only publication that tells the real story of how artists get ripped off and how they can protect their assets Now in a special 10th Anniversary Edition author Moses Avalon one of the industry s most sought after consultants and artist s rights gurus has put even more teeth wrenching reality at the reader s fingertips The anniversary edition has updates on all of the old shames and many new ones created by the internet and the ongoing transformation of the music industry Highlights The only published critical analysis of the performing rights industry Detailed numbers on how new royalties from digital downloads are calculated collected and manipulated The changing team Once considered to be the immortal trio manager lawyer producer has now become webmaster aggregator viral marketer Who to tool up with and who is just a tool are revealed deep inside the new so called 360 Deals offered by the major labels Are they a desperate attempt to stay alive or can artists finally get paid Are CDs really dead or is it an RIAA manipulation How long can we expect the industry standard to stay relevant Plus a DVD ROM containing private lessons from Moses Avalon s world famous Confessions of a Record Producer Workshop a hot ticket every year for top music lawyers managers producers artists and songwriters Groundbreaking charts and graphs show industry consolidation who owns what and where the future of the music business is headed

**Hot Hits, Cheap Demos** Nadine Condon,2003-10 If you are a musician you need this book which is rooted in real life music business experience not classroom theory It reveals the secrets of artist development using the creative process as the foundation for success and provides solid direction for you to plan and evaluate your path to success Hot Hits Cheap Demos shows you how to jumpstart your career create a press kit and develop sure fire marketing strategies contact clubs and alternative venues produce and promote your own shows make an eye catching web site create a standout song find a producer and even package a CD Written by Nadine Condon a 20 year music industry veteran who s been instrumental in the success of such acts as Smash Mouth Stroke 9 Third Eye Blind and Train Keyboard ,2002
