General comments

A total of 1166 candidates took this paper. Overall candidates performed well, with 57% of candidates achieving a score of 16 or more out of 30. The median score was 16, with the mean slightly higher.

Some questions proved easy to candidates, with **Questions 2, 4, 7, 10, 11, 21, 22, 25** and **26** being answered correctly by 65% or more of candidates. These questions mainly focused on financial accounting, with the exception of the last two which related to management accounting.

There were some questions which from the data proved challenging for candidates. These will be considered below.

Specific questions

Question 1

This question was relatively straightforward. The opening debit balance of \$800 was the prepayment brought forward from last year. The payment made during the year (\$2100) included a prepayment of six months relating to the next year. The charge for the year was, therefore \$800 plus half of \$2100 (\$1050), making a total of \$1850. This was key B. Many candidates took the charge for the year as \$2100, key D.
