Died In Exile

Ebenezer Cobham Brewer

Died In Exile:

Paul and the Resurrection of Israel Jason A. Staples, 2023-11-23 The gospel promoted by Paul has for many generations stirred passionate debate That gospel proclaimed equal salvific access to Jews and gentiles alike But on what basis In making sense of such a remarkable step forward in religious history Jason Staples reexamines texts that have proven thoroughly resistant to easy comprehension He traces Paul s inclusive theology to a hidden strand of thinking in the earlier story of Israel Postexilic southern Judah he argues did not simply appropriate the identity of the fallen northern kingdom of Israel Instead Judah maintained a notion of Israel as referring both to the north and the ongoing reality of a broad pan Israelite sensibility to which the descendants of both ancient kingdoms belonged Paul s concomitant belief was that northern Israel s exile meant assimilation among the nations effectively a people s death and that its restoration paradoxically required gentile inclusion to resurrect a greater Israel from the dead
