**Dietrich Bonhoeffer** Dietrich Bonhoeffer,1991-01-01 Bonhoeffer s theological brilliance committed discipleship ecumenical insight and courageous participation in the struggle against Nazism have profoundly shaped contemporary Christian understanding and action Although his early death at the hands of the Gestapo prevented him from providing us with a full and systematic theology his writings are remarkably extensive and have become increasingly influential This volume concentrates on the key texts and ideas in Bonhoeffer s thought It presents the essential Bonhoeffer for students and the general reader John de Gruchy s introductory essay and notes on the selected texts set Bonhoeffer in his historical context chart the development of his thought and indicate the significance of his theology in the development of Christian theology as a whole Substantial selections from Bonhoeffer s work illustrate key themes His theological foundations Christology and reality Confessing Christ concretely The life of free responsibility Christ in a world come of age Dietrich Bonhoeffer Dietrich Bonhoeffer,1991 **Dietrich Bonhoeffer** John W. De Gruchy,1988 *The Wisdom and Witness of Dietrich Bonhoeffer* Dietrich Bonhoeffer,Wayne Whitson Floyd,2000-06-06 At a time when much of the world was either enticed with or entrapped by fascism Dietrich Bonhoeffer dared to live the morally responsible Christian life to a most expressive and in his case tragic end His legacy has inspired many and it demonstrates his life and works to be among the most important of the twentieth century Forged during his struggle against Nazism Bonhoeffer s striking notions of religionless Christianity i e costly grace direct religious engagement with political forces and his own martyrdom still speak directly to the situations faced by the Christians and Christianity of today His key insights combined with Floyd s meditations which address meaning and significance for today are powerfully presented here in fifty key passages grouped into eight areas of Bonhoeffer s concern church world discipleship politics love Christ creation and the future Dietrich Bonhoeffer : witness to Jesus Christ Dietrich ; de Gruchy Bonhoeffer (John ed),1991 *Dietrich Bonhoeffer* Wayne W. Floyd, **The Collected Sermons of Dietrich Bonhoeffer** Victoria J. Barnett,2017-10-15 In his preaching Dietrich Bonhoeffer s strong personal faith the foundation for everything he did shines in the darkness of Hitler s Third Reich and in the church struggle against it Though not overtly political Bonhoeffer s deep concern for the developments in his world is revealed in his sermons as he seeks to draw the listener into conversation with the promises and claims of the gospel a conversation readers today are invited to join **Who Is Christ for Us?** Dietrich Bonhoeffer,2002-03-20 In the summer of 1933 Dietrich Bonhoeffer delivered powerful lectures that insisted Christians encounter Jesus Christ as a living person today as well as in history and church life Formulated in the face of the new Nazi regime a decisive moment in Bonhoeffer s own commitment to the Confessing Church his words drew attention to the living Christ as always the humiliated man for others This volume well introduced and contextualized by Nesson and Wind consists in excerpts from the 1933 lectures strikingly relevant today along with contemporary writings from Bonhoeffer and others **Discipleship** Dietrich Bonhoeffer,2003-05-01 Cheap grace

is the mortal enemy of our church Our struggle today is for costly grace And with that sharp warning to his own church which was engaged in bitter conflict with the official nazified state church Dietrich Bonhoeffer began his book Discipleship formerly entitled The Cost of Discipleship Originally published in 1937 it soon became a classic exposition of what it means to follow Christ in a modern world beset by a dangerous and criminal government At its center stands an interpretation of the Sermon on the Mount what Jesus demanded of his followers and how the life of discipleship is to be continued in all ages of the post resurrection church Every call of Jesus is a call to death Bonhoeffer wrote His own life ended in martyrdom on April 9 1945 Freshly translated from the German critical edition Discipleship provides a more accurate rendering of the text and extensive aids and commentary to clarify the meaning context and reception of this work and its attempt to resist the Nazi ideology then infecting German Christian churches

*Life Together* Dietrich Bonhoeffer,1978-10-25 After his martyrdom at the hands of the

Gestapo in 1945 Dietrich Bonhoeffer continued his witness in the hearts of Christians around the world His Letters and Papers from Prison became a prized testimony to Christian faith and courage read by thousands Now in Life Together we have Pastor Bonhoeffer s experience of Christian community This story of a unique fellowship in an underground seminary during the Nazi years reads like one of Paul s letters It gives practical advice on how life together in Christ can be sustained in families and groups The role of personal prayer worship in common everyday work and Christian service is treated in simple almost biblical words Life Together is bread for all who are hungry for the real life of Christian fellowship *For the Life of the World* Robert J. Dean,2016-05-13 What is the church What is its mission in the world Modern Protestantism s inability to provide a clear answer to these seemingly simple questions has resulted in vast confusion amongst pastors about the nature of their calling and has left congregations languishing without a clear reason for existence Many of the voices and allegiances competing for the churches attention have rushed in to fill the void with the result that the church in modernity has frequently found itself captive to the prevailing culture Yet from within the belly of highly culturally accommodated churches both the German pastor theologian Dietrich Bonhoeffer and the American theological ethicist Stanley Hauerwas were able to articulate compelling visions of churches freed from their cultural captivity in order to truly and freely serve God and neighbor Against the complex and confusing backdrops of Nazi Germany and late twentieth and early twenty first century America respectively Bonhoeffer and Hauerwas sought to recover the ethical and political character of the Christian faith through recalling the church back to the christological center of its faith Together they provide a rich set of complementary and at times mutually correcting resources for the contemporary church as it seeks to faithfully bear witness to Christ amidst the ruins of Christendom *Bonhoeffer's Questions* John W. de Gruchy,2019-11-08 While in prison during the Third Reich Dietrich Bonhoeffer raised several core questions in his correspondence with his close friend Eberhard Bethge How shall future generations live Who is Jesus Christ actually for us today What does it mean to be truly human And who am I In Bonhoeffer s Questions John W de Gruchy explores the development of each question in the course of Bonhoeffer s life how he attempted to answer them and how each prompted further questions in an ongoing conversation with himself with others and now with us today De Gruchy does this within the framework of his own life long and life changing conversation with Bonhoeffer in the context of South Africa from the beginning of the apartheid era to the present day He also describes how he has come to know Bonhoeffer as a theological witness to Christ a prophet of God s justice and a Christian humanist before proceeding with a series of questions addressed to Bonhoeffer with the reader in mind These range from the debate about God and the future of Christianity to the involvement of Christians and the church in political struggles today Dietrich Bonhoeffer Michael T. Hayes,2017-11-02 Michael Hayes a self professing evangelical offers in this volume perhaps the first and only biography that shows how Dietrich Bonhoeffer s life and legacy can be of great inspiration to evangelicals while not diminishing or dismissing his Bonhoeffer s liberal theological ethical and social

commitments Hayes understands Bonhoeffer's contribution to address key concerns for evangelicals scripture salvation sin Jesus Christ church and world He argues throughout this biography that for Dietrich Bonhoeffer the Bible had immense authority a primary evangelical commitment while he simultaneously avoided a fundamentalist hermeneutic For Dietrich Bonhoeffer ever the Lutheran Jesus Christ is unquestionably the incarnate Word of God present in preaching community and sacraments at the center of the church history nature and individual lives Hayes challenges fellow evangelicals not to diminish Bonhoeffer's importance for lacking an emphasis on a private experience of conversion as understood by American evangelicals Hopefully evangelical Christians will appreciate one of their own who has spent four decades of prayerful engagement scholarly discernment and ongoing conversation with Dietrich Bonhoeffer and here offers a masterful tome about this contemporary witness to Jesus Christ In *Dietrich Bonhoeffer Follower of the Living Jesus* the life story of Bonhoeffer is told in a way that evangelicals can hopefully hear and respect without distortion or domestication Michael Hayes has gifted the church of Jesus Christ with a unique and marvelous gift that can instruct and inspire disciples in the the third millennium who seek to be followers of the living Jesus [Preface to Bonhoeffer](#) John D. Godsey, 2015-12-22 This volume presents two of Bonhoeffer's writings that are vital to understanding his life and thought *The first Thy Kingdom Come* is a passionate lecture delivered in 1932 a year before he left Germany in protest of Nazism *The First Table of the Ten Commandments* written twelve years later from a Nazi prison is a mature and insightful study of the first three commandments *The Bonhoeffer Reader* Clifford J. Green, Michael DeJonge, 2013-11-01 For the first time in nearly 20 years the essential theological writings of Dietrich Bonhoeffer have been drawn together in a helpful and concise one volume format *The Bonhoeffer Reader* brings the best English translation to readers students and scholars and provides a ready made introduction to the thought of this essential thinker *The Oxford Handbook of Dietrich Bonhoeffer* Michael Mawson, Philip G. Ziegler, 2019 This Handbook offers an overview of Dietrich Bonhoeffer's 1906-1945 biography and intellectual context his contributions to all areas of doctrinal theology ethics and public life the significance of his thought for some contemporary issues and debates and an evaluation of some existing resources for studying Bonhoeffer
