

# A Different Drummer

a novel by

William Melvin Kelley

"American Negroes have been mythological in tales and times from the beginning of their culture but here is a young Negro novelist who has used that mysterious power in a new way: he has imagined, not a myth of time past, but a myth of time going—a myth for now. Many readers of novels will be glad, I think, to have met William Kelley at the beginning of what promises to be an exciting career, and particularly glad to have met him at this hour."

—Archibald MacLeish
