Different Kind Of State Popular Power And Democratic Administration:

Encyclopedia of Critical Political Science Clyde W. Barrow, 2024-03-14 An indispensable and exemplary reference work this Encyclopedia adeptly navigates the multidisciplinary field of critical political science providing a comprehensive overview of the methods approaches concepts scholars and journals that have come to influence the discipline's development over the last six decades

Mass Intellectuality of the Neoliberal State Nicolas Fleet, 2021-07-19 This book addresses the political effects of the massification of higher education and intellectual labor in the neoliberal state Using the case of Chile the author argues that public professionalism emerges in the mass university system producing excesses of knowledge which infuse the state with political purpose at many levels The emergence of the student movement in 2011 then the major social mobilization against the neoliberal state since the restoration of democracy in 1990 provided a clear manifestation of the politicization and ideological divisions of the mass university system In conditions of mass intellectuality public professionals mobilize their political affinities and links with society eventually affecting the direction of state power even against neoliberal policy Through several interviews with academics public professionals and other documentary and statistical analyses the book illustrates the different sites of political socialization and the ideological effectiveness of the emergent mass intellectuality of the neoliberal state

A Different Kind of State? Gregory Albo, David Langille, Leo Panitch, 1993 The organization of the public sphere has become the central political problem of the 1990s Neither the centralized bureaucracies of Eastern Europe nor the liberal pluralist states of the West have been able to cope as their citizens demand more public services and greater democratic accountability Increased competitiveness within a free market cannot satisfy these needs if anything it generates more victims dependent on government help This book introduces the possibilities for democratic administration reforming the system of government so as to enhance public participation improve the design of programmes and the delivery of services and to ensure a better working environment within the public sector

Deliberating Environmental Policy in India Sunayana Ganguly, 2015-11-06 As one of the world's largest and most bio diverse countries India's approach to environmental policy will be very significant in tackling global environmental challenges This book explores the transformations that have taken place in the making of environmental policy in India since the economic liberalization of the 1990s It investigates if there has been a slow shift from top down planning to increasingly bottom up and participatory policy processes examining the successes and failures of recent environmental policies Linking deliberation to collective action this book contends that it is crucial to involve local actors in framing the policies that decide on their rights and control over bio resources in order to achieve the goal of sustainable human development The first examples of large scale participatory processes in Indian environmental policy were the 1999 National Biodiversity Strategy Action Plan and the 2006 Scheduled Tribes and Other Traditional Forest Dwellers Act This book explores these landmark policies exploring the strategies of advocacy and deliberation that led to both the successes and failures of recent initiatives

It concludes that in order to deliberate with the state civil society actors must engage in forms of strategic advocacy with the power to push agendas that challenge mainstream development discourses The lessons learnt from the Indian experience will not only have immediate significance for the future of policy making in India but they will also be of interest for other countries faced with the challenges of integrating livelihood and sustainability concerns into the governance process

Private Authority and International Affairs A. Claire Cutler, Virginia Haufler, Tony Porter, 1999-04-01 Explores in detail the degree to which private sector firms are beginning to replace governments in governing some areas of international relations From Consent to Coercion Bryan Evans, Carlo Fanelli, Leo Panitch, Donald Swartz, 2023-02-27 From Consent to Coercion examines the increasing assault against trade union rights and freedoms in Canada by federal and provincial governments Centring the struggles of Canadian unionized workers this book explores the diminution of the welfare state and the impacts that this erosion has had on broader working class rights and standards of living The fourth edition witnesses the passing of an era of free collective bargaining in Canada an era in which the state and capital relied on obtaining the consent of workers and unions to act as subordinates in Canada s capitalist democracy It looks at how the last twenty years have marked a return to a more open reliance of the state and capital on coercion on force and on fear to secure that subordination From Consent to Coercion considers this conjuncture in the Canadian political economy amid growing precarity poverty and polarization in an otherwise indeterminate period of austerity This important edition calls attention to the urgent task of rebuilding and renewing socialist politics of thinking ambitiously and meeting new challenges with unique solutions to the left of social democracy **Imagine Democracy** Judy Rebick, 2000 **Five Year Review** Open University. Development Policy and Practice Research Group, 1994 **Democratization, Health Care Reform, and NGO-government Collaboration** Alberto Cardelle, 1998 Annual Report ... and ... Handbook University of Sussex. Institute of Development Studies, 1992 Managing Sustainable Development in South Africa Patrick Fitzgerald, Anne Mc Lennan, Barry Munslow, 1995 What is sustainable development and how will it be managed in the emerging South African context In this challenging and scholarly volume more than 20 researchers offer informed responses to issues raised by South Africa s reconstruction and development programme The Reconstruction and Development Programme RPD will not succeed unless the old style public administration is transformed into a developmental user friendly and results oriented management culture This publication articulates a new theoretical and strategic basis for the dynamic linking of the public administration and development administration disciplines Written for the entire range of role players in the development community these studies address the concerns of practitioners and policy makers involved in economic social and institutional change in South Africa *The Challenge of Change in Latin America and the Caribbean* Jeffrey Stark, 2001 Latin America and the Caribbean have experienced far reaching change in the 1990s as the region s democracies have shifted toward new economic models Analyzing these challenges this collection addresses issues ranging from globalization
