Subcommittee,1973 Satanism Per Faxneld,Johan Nilsson,2023 Satanism is a current of thought that generates intense
feelings It remains understudied by academics This selection of key source texts from the period 1841 to 2017 attempts to
remedy that gap Ranging from the esoteric to the anti clerical countercultural and political the texts span a wide variety of
genres from poetry and polemical religious tracts to ritual instructions and internet FAQ s All are provided with
comprehensive introductions written by specialists in the field that offer readers both critical historical context and expert
scholarly interpretation Chronologically structured the book can be read as a succinct historical overview of the development
of Satanism with the immediacy that only primary sources can provide It is ideal for both classroom and research use as well
as a fascinating read for anyone with an interest in the occult the transgressive secularization and the fringes of the religious
