

Digging up Death: Archaeological Murder

Any archeologist is already a kind of detective, sorting through forensic evidence to reconstruct events (both crimes and everyday life) from the past; by its very nature, the deductive aspect of archaeology seems to make it a good subject fit with murder mysteries. (And after all, have people's motivations for crime really changed that much in the last 15,000 years?)

Our list includes archaeologists in a variety of murder-related roles: we have archaeologists who investigate crimes or who work with the police analyzing evidence, a surprising number of archaeologist victims (are they really that annoying?) and also some archaeologists who are just innocent bystanders to murder. In a few cases, an archaeological dig happens to be the scene of the murder or the site for disposal of the body. Many of the titles on the list are one of a longer series, but the list includes only the one with a plot connected to archaeology. When an entire series is about archaeology, (e.g. Elizabeth Peters' series with Amelia Peabody) we include the first and last series titles.

Albert, Susan Wittig (attorney-turned-herbalist China Bayles)

- *Dead Man's Bones* (2005) (Bayles' 14-year-old stepson goes on an archaeological dig and finds a modern body with its skull bashed in; Book # 14)

Atherton, Nancy (ghost Aunt Dimity)

- *Aunt Dimity Digs In* (1998) (ghost Aunt Dimity helps Lori Shepherd investigate the theft of a document that would prove that an archaeological discovery which has divided the village is a hoax; Book # 4)

Baron, Aileen Garsson (American archaeology grad student Lily Sampson is working on a dig in Palestine in 1938 when another archaeologist on the dig is murdered)

- *A Fly Has a Hundred Eyes* (2002)

Digging Up Death Worldwide Library Mysteries Introduction

In today's digital age, the availability of Digging Up Death Worldwide Library Mysteries books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Digging Up Death Worldwide Library Mysteries books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Digging Up Death Worldwide Library Mysteries books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Digging Up Death Worldwide Library Mysteries versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Digging Up Death Worldwide Library Mysteries books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Digging Up Death Worldwide Library Mysteries books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Digging Up Death Worldwide Library Mysteries books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public.

Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Digging Up Death Worldwide Library Mysteries books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Digging Up Death Worldwide Library Mysteries books and manuals for download and embark on your journey of knowledge?
