Eagle's Cry David Nevin,2024-06-04 With the death of George Washington symbol of American unity and a man who abhorred factions comes the two party system And with it comes inherent struggle that the young nation is ill prepared for A dashing Aaron Burr has a grip on New York and a coup d tat is planned that could bring the two leaders down Madison learns that Napoleon Bonaparte has forced the Spanish to turn New Orleans over to him and thereby potentially take control of the Mississippi River Valley A country as strong as France could stop the aspiring free trade market growing on the Mississippi River including the business of widow Danny Mulberry a New Orleans shipping tycoon and one of the most sought after woman in New Orleans As the young nation s hands are forced economically and politically by France there is a movement in the Northeast to turn towards England This could bring them under the Imperial yoke they just shook off Suddenly the nation is a global nation as the greatest minds and visionaries of a young America struggle to hold it together

Blake: The Complete Poems W.H. Stevenson,2014-05-12 William Blake 1757 1827 is one of the great figures in literature by turns poet artist and visionary Profoundly libertarian in outlook Blake s engagement with the issues of his day is well known and this along with his own idiosyncratic concerns flows through his poetry and art Like Milton before him the prodigality of his allusions and references is little short of astonishing Consequently his longer visionary poems can challenge the modern reader who will find in this avowedly open edition all they might need to interpret the poetry W H Stevenson s Blake is a masterpiece of scrupulous scholarship It is as the editor makes clear in his introduction designed to be widely and fluently read and this Third Edition incorporates many changes to further that aim Many of the headnotes have been rewritten and the footnotes updated The full texts of the early prose tracts All Religions are One and There is no Natural Religion are included for the first time In many instances Blake s capitalisation has been restored better to convey the expressive individuality of his writing In addition a full colour plate section contains a representation of Blake s most significant paintings and designs As the 250th anniversary of his birth approaches Blake has perhaps more readers than ever before Blake The Complete Poems will stand those readers new and old in good stead for many years to come
