Different Just Like Me:

Different Just Like Me Lori Mitchell, 2001-07-01 While preparing for a visit to her grandmother a young girl notices that like the flowers in Grammie s garden people who are different from one another also share similarities and it s okay to like them all the same

Just Like Me Archie Morrison, 2002-06-13 *Just Like Me* Beyond the Thousand Yard Stare contains battle scenes as vivid as those in a Tom Hanks movie and psychic twists and turns reminiscent of Hitchcock Don Duncan retired journalist and World War II Army veteran *Just Like Me* is an exciting riveting read It will do much to further the understanding of the emotional turmoil resulting from war Carol Lodmell retired educator This open and honest story is I like to think a freeing of some of Archie Morrison s demons into the ether to dilution and impotence I like to think too that in its expression of hope it is also about man seeking something much better than the worst he can do to others and himself It helps express not just Archie s aspirations but ours as well Richard Prince retired dentist and Vietnam Navy veteran Archie Morrison creates an account of an unbelievable friendship that becomes believable when we see that it is built on truths that war diminishes but does not extinguish Denzil Walters retired teacher and editor World War II Navy veteran *Would Jesus Date A Woman Like Me?* Brian Bolden, 2015-02-11 Throughout the centuries frustration disappointment and despair on both sides has created a great divide between black women and black men In the world of relationships it has become increasingly difficult for black women to make an emotional spiritual and psychological connection with black men For many women they don t even know how to begin to put on a different hat and often find themselves saying Why can t I find a good black man The truth of the matter is many black women are sinking and drowning according to many black men On the other side of the spectrum there are black men who also have a considerable amount of scar tissue to deal with not the least of which has been black women who are deceitful disrespectful high maintenance materialistic gold diggers with get paid mentalities The end result is that many black men have become frustrated with black women and have also chosen to cross color lines in unbelievably large numbers For those black men having a strong Nubian queen by their side has become nothing more than a pipe dream they used to have For them dating outside their race is no longer taboo and no longer creates the innate feeling of betraying black women Sadly a lot of black men all over the country have lost love and respect for many black women A lot of black men feel many black women have no idea how to love them care for them or nurture their men They no longer believe that black women are good homemakers nor can they keep a peaceful home This is an epidemic that has spread all over America It is my sincere belief that the thoughts and ideas outlined in my book will help answer numerous questions with which black women continue to struggle regarding their relationships with men particularly black American men such as Why will he bed me but not wed me Why have many black women lost the love and respect of black men Why are black men continuing to cross the fence in alarming numbers Why are black men becoming more hesitant to approach black women Are black men really intimidated by successful black women Why are so many black men disappointed discouraged

and frustrated with many black women Why do many black men see black women as too difficult and too complicated to deal with Why are some black men making a vow to never date or marry another black woman ever again Why are many black women hitting home runs in their careers but striking out in their relationships and marriages These are some of the questions that are answered in this book This is why it was so important for me to write this book I want to inform black women in America what they need to do to help restore the faith of good quality black men I want black women to understand that I am writing this book as a wake up call If I do my job well perhaps these words will sufficiently energize the mind heart and soul of the amazing creation God called woman to stimulate positive behavioral change in her or at least provoke a little thought Now I know I m treading on thin ice here but trust me when I say this book is not about bashing black women in America It s a book about reality and truth More often than not most of us do not like to hear the truth because it forces us to take a good look at ourselves blemishes and all The old adage The truth hurts could certainly apply here However another old adage is also applicable The truth shall set you free By writing this book I truly hope to make it easier for black men and woman to come together as one I want black women to understand that just because many black men have lost faith doesn t mean that we have given up on you The reality is that sometimes we need to be challenged and this book will definitely challenge many black women in America to take an introspective look at themselves
