Digging for Treasure Ron Dale, 2012-09-11 Digging for Treasure could possibly have been titled *Memoirs of a Dump Digger* as although it is a practical book packed with know how gained by the author over a number of years all the information passed on through the book is from the authors own real life experiences Digging into Victorian and Edwardian rubbish dumps may seem a crazy way to earn a living but many thousands of people in Britain alone have been involved in such a hobby part time since the 1970s It all started in the U S A in the 1950s when old frontier towns were searched for their throwaway bottles The patent quack medicine bottles of the 19th century proved a fascinating subject of research Dump digging soon spread to Canada and the U K and is also particularly strong in Australia The finds in old refuse are not just bottles In a century when local chemists made their own toothpaste in the back of the shop it was sold in small ceramic pots with lids which had printed advertising on them under the glaze Chemists could design their own advertising lids and the individuality and naivety of these is part of their charm This was a time before the invention of the squeezable tube which we use today for toothpaste creams and ointments Ointments claiming to cure a wide variety of illnesses were sold in these pots something which is illegal today Ointments can alleviate or soothe problems but they cannot claim to cure In *Digging for Treasure* the author points out that once a dump has been emptied of its finds by hordes of collector diggers they have to constantly be searching for other sites This has become a problem today as gradually more and more old rubbish dumps disappear under the building of trading estates car parks and housing estates Whilst this is admittedly true the author believes there are still some town dumps yet to be found although fast disappearing Also he advocates the re digging of sites which were inefficiently dug by zealous collectors the first time around Victorian refuse dumps yield a wide variety of glass bottles printed stoneware and ceramic pots and advertising lids clay pipes with decorated bowls china dolls heads brown salt glazed stoneware bottles and jars Some of the rarer bottles and pot lids are now selling for several hundreds of pounds and the very rare up to 5 000 As sites become even more difficult to find this trend for higher prices must continue The author points the way to the future in what he describes as the forgotten dumps In the book he describes the research he has done on the collection of refuse in the U K which is a subject most of us pay scant attention to Many would believe that there has always been a collection of our waste but this is not so In many towns and villages the collection of household waste was not organised until after 1900 The smaller the village the later was collection introduced Although in London and a few other large cities refuse collection began from about the 1880s some small villages did not have this facility until about 1920 As town dumps gradually disappear under buildings the author points the way forward for dump diggers of the future what he calls the forgotten dumps and he claims there are tens of thousands of them to be found The hobby of bottle collecting also covers the collecting of pot lids and other finds and in all English speaking countries there are clubs magazines and auctions to cater for collectors Online auctions on e bay for antique bottles and pot lids receive bids from all over the world Bottles

and pot lids are big business and for anyone wishing to dig up their own antiques this book is indispensable *Digging Up Antiques* Edward Fletcher,1975-01-01 **The Magazine Antiques** ,1930 **Spend Game** Jonathan Gash,2013-03-21 When Lovejoy witnesses a car crash that turns out to be a murder with one of his oldest antique dealer friends the victim he sets out on a trail of revenge that leaves him pondering several bewildering questions Why did his friend buy up a load of junk furniture What did he want with an old doctor s bag Why was his friend killed Who was trying to kill Lovejoy and most perplexing of all what the hell is he doing potholing through underground tunnels dodging armed hit men *Magazine Antiques* ,1930 Sick Mick's Guide to Selling Antiques & Collectibles Micki Suzanne,2006 The author a marketing writer antique dealer with Lyme Disease helps collectors explore low energy ways of selling antiques from malls to eBay Additionally she describes her own journey from mystery illness and pink slip to diagnosis antique shop and eBay store Antiques Collectibles *Giftwares* ,1929 The Lovejoy Omnibus Jonathan Gash,2013-12-19 The Judas Pair Every antique dealer is a bit of a detective following clues to find the trophies that pay the rent but when Lovejoy takes on the job of tracking down a pair of duelling pistols so rare that he s not even sure actually exist he needs all the instincts of a detective to pick his way through an unsolved crime Along the way he becomes convinced that the weapons do exist but that they have fallen into the hands of a vile murderer Locating the ancient weapons seems like the least of his problems when Lovejoy then finds himself fighting for his life in a duel to the death Gold From Gemini Lovejoy discovers how the lure of gold brings out the worst kind of treasure seeker when broke as usual and earning a crust as an unlikely babysitter he stumbles across the diaries of a painter that appear to point to the whereabouts of a fabled hoard of Roman gold coins Lovejoy is tempted to dismiss the whole thing as a hoax but vile threats and violent intimidation have a way of changing his mind He sets out to unravel the clues in the diaries with some particularly nasty characters dogging his every move The Grail Tree Lovejoy has heard of more nutters who have claimed to be in possession of the one true Holy Grail than he has had hot dinners He s not too impressed with the eccentric clergyman making the latest claim especially when the good vicar turns out to be one of the finest forgers Lovejoy has ever met But when the vicar and his lady companion end up dead it becomes clear that someone else is after the old man s artefact To solve the mystery and protect a precious piece of history Lovejoy puts his life on the line and acquires a surprising new partner Spend Game When Lovejoy witnesses a car crash that turns out to be a murder with one of his oldest antique dealer friends the victim he sets out on a trail of revenge that leaves him pondering several bewildering questions Why did his friend buy up a load of junk furniture What did he want with an old doctor s bag Why was his friend killed Who was trying to kill Lovejoy and most perplexing of all what the hell is he doing potholing through underground tunnels dodging armed hit men **Museums, Their History and Their Use** David Murray,1904 **House & Garden** ,1927 **Bookseller and the Stationery Trades' Journal** ,1975 *Daily Report* ,1993 **Arts & Decoration** ,1927 **Daily Report** United States.
