Dysfunctional Church:

More Dumb Things Churches Do and New Strategies for Avoiding Them Philip Wiehe, Linda McFadden, 2009 This book focuses on problems in parishes from stewardship to worship to strategic planning and then examines new ideas and solutions The approach is positive and practical the tone is conversational and engaging Healing the Dysfunctional Church Family David R. Mains, 1992 No church is perfect just as no family is perfect This profound and honest book calls us to accept the church's humanness as it explores common dysfunctions But it also calls upon us to view each local congregation as a place where we can feel loved helped and forgiven **Vital Church Issues** Roy Check B. Zuck, 2006-09-05 Vital pertaining to life essential of critical importance Church a body or organization of religious believers Issues a point or matter the decision of which is of special or public importance A dictionary can define the terms but tackling the tough texts and difficult issues of church leadership requires skillful study and balanced reflection upon the whole of Scripture **Vital Church Issues Examining Principles and Practices in Church Leadership** draws upon the insights and study of numerous evangelical scholars and writers to address crucial issues in church leadership Some of the chapters included are *Personal Challenges for 21st Century Pastors* by Leith Anderson *The Laying on of Hands of Elders* by David A Mappes *Can Fallen Leaders Be Restored to Leadership* by Jay E Smith *Assimilating New Converts into the Local Church* by R Larry Moyer *Confidentiality in Counseling Individuals with HIV AIDS* by Jay A Quine Pastors laypeople and seminary students will appreciate the helpful scholarship of **Vital Church Issues** *Bitter Fruit* Keith Gordon Ford, 2021-06-17 No church founder or planter likely intends to start a church with the stated goal of allowing abuse or abusing those within it Yet sadly and too often even in the best of churches abuse does occur The bitter fruit of abuse does not appear from nowhere Its origins the soil in which it grows and the structures that support it need be understood if we are to eradicate this fruit from within our churches and Christian organizations *Bitter Fruit Dysfunction and Abuse in the Local Church* describes those psychologies social psychologies and inadequate theologies that are frequently true in churches that enable abuse regardless of the form the abuse may take It is vital that you understand these things if you are a pastor leader or lay person seeking to maintain a healthy church environment **Nelson's Annual Preacher's Sourcebook, Vol. 1** Kent Spann, David Wheeler, 2011-10-04 Nelson's Annual Preacher's Sourcebook Volume 1 is the same sermon planner you have come to depend on for over ten years with a new topical focus *The Dysfunctional Church* Michael H. Crosby, 2011-04-01 Reduced to its simplest form *The Dysfunctional Church* maintains that The Catholic church is an addict an institutional addict It's addicted to preserving the male celibate clerical model of the church Many Catholics exhibit patterns of classic codependency which reinforce this addiction The result is a dysfunctional church unable to confront a problem many members know is there Michael Crosby breaks the silence to talk openly about the abuse of authority in the Catholic church He does this in a way that offers comfort hope and challenge to the frustrated but caring members of its family He traces the historical gathering of powers by the

hierarchy into its own hands and its ramification for today Applying the approach that Matthew s Jesus took to the church leaders of his day Crosby brings the discerning light of scripture into the dark corners of growing addiction The Dysfunctional Church is a clear loving and unequivocal intervention The author calls on church leaders and all other codependents in the church to face their addiction and seek recovery through spiritual conversion Acknowledging that he himself is a recovering codependent he invites us all to turn to God to fill the hole in our wholeness This involves coming under the authority of a higher power as well as finding support in prophetic communities modeled on the Twelve Steps For those who left the church in anger Crosby s analysis invites compassion for those who remain in frustration it offers hope and for the many who feel condemned to the church s use of authority it offers a way of recovery

LeMay,2012 The author host of the daily Christian radio show Stand up for the truth shares his observations on the influence of secular humanism on the current and future states of American Christianity while detailing his perceptions of secular humanism within current American culture
