

HOW TO HELP THE MOST  
**CHILDREN**  
DURING  
**TOUGH TIMES**

By David M. Weisberg

Executive Director, National Center for Education Policy

Washington, D.C.

When the economy is in a tailspin,

many parents

are looking for ways to help their

children get through the tough

times ahead.

Here are some ways to help:

1. Stay positive. Children

are very sensitive to their

parents' moods. If you're

stressed, your children will

be, too. Try to stay as

positive as you can. Your

children will feel your

optimism and be more

able to cope with the

difficulties ahead.

2. Communicate. Children

need to know what's going

on. Don't try to hide the

truth from them. They

will find out anyway. It's

better to talk to them

24 ways to help your child

through tough times
