*Baptism & Church* Merle D. Stregge, 1986-01-01      *The Baptist Vision* Matthew Y. Emerson, R. Lucas Stamps, 2025-04-15

The Baptist Vision Faith and Practice for a Believers Church paints a beautiful and compelling picture of Baptists beliefs and practices as a renewal movement within the one holy catholic and apostolic church      *Baptist Theology* James Leo Garrett, 2009 This title offers a comprehensive analysis of Baptist theology Embracing in one common trajectory the major Baptist confessions of faith the major Baptist theologians and the principal Baptist theological movements and controversies this book spans four centuries of Baptist doctrinal history Acknowledging first the pre 1609 roots patristic medieval and Reformational of Baptist theology it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill Fuller Backus and Boyce and that were quickened by the awakenings and the missionary movement Concurrently there were the Baptist defense of the Baptist distinctives vis a vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey Strong Rauschenbusch and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal      *The Baptist Vision* Matthew Y Emerson, R Lucas Stamps, 2025-04-15      **Ecumenical Directions in the United States Today: Churches on a Theological Journey** Antonios Kireopoulos, Juliana Mecera, 2014-05-14 Proceedings of a conference held in July 2007 at Oberlin College      **Beyond 400** David J. Cohen, Michael Parsons, 2011-01-01 This volume deals with the varied forms of shame reflected in biblical theological psychological and anthropological sources Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior recent scholarship has discovered the crucial relevance of social shame evoked by mental status adversity slavery abuse illness grief and defeat Anthropologists sociologists and psychologists have discovered that unresolved social shame is related to racial and social prejudice to bullying crime genocide narcissism post traumatic stress and other forms of toxic behavior Eleven leaders in this research participated in a conference on The Shame Factor sponsored by St Mark s United Methodist Church in Lincoln NE in October 2010 Their essays explore the impact and the transformation of shame in a variety of arenas comprising in this volume a unique and innovative resource for contemporary religion therapy ethics and social analysis      *Looking in the Other Direction* Teun van der Leer, 2023-09-22 In this study Teun van der Leer tells the story of the Believers Church Tradition a

tradition mainly rooted in the so called Radical Reformation which prefers to be called a movement or rather a renewal movement Its name is a program a vision and a way of being church Based on extensive source research this book describes and analyzes the defining characteristics of this so called third type of church and investigates its ecumenical value With an extensive description of its nature of faith the church hermeneutical discernment and mission this book colors a movement within the church landscape that has never been mapped in such detail before As such the book provides an in depth introduction to this ecumenically important but still a bit underexposed movement and makes a substantial contribution to the ecumenical ecclesiological debate about the church and its future

The Baptist Home Mission Monthly ,1899 Free Church, Free State Nigel G. Wright,2011-11-29 A church free from state control and a state free from church control Such is one of the radical insights of a baptist vision of church and society What exactly is a baptist vision of the church What are the biblical historical and theological roots of this approach to Christian community What is the place of such a vision in the context of a global church that includes alternative notions of the body of Christ Free Church Free State is a textbook on baptist ways of being church and a proposal for the future of baptist churches in an ecumenical context Nigel Wright argues that both baptist small b and catholic small c church traditions should seek to enrich and support each other as valid expressions of the body of Christ without sacrificing what they hold dear Written for pastors church planters evangelists and preachers Nigel Wright offers frameworks of thought for baptists and non baptists in their journey together following Christ
