Baptism Your Child And You:

Your Child's Baptism Paul Turner, 2018-02-07 Fr Paul Turner known for his friendly style and authoritative content helps parents understand what they need to know about their child's Baptism. He invites them into the mystery of this first sacrament in the life of a Christian, explaining its theology, symbolism, and the ritual itself. He provides pastoral answers to many technical questions parents might have about such matters as when and where Baptism should take place, arrangements when a parent is not Catholic, and the requirements for godparents. He especially encourages parents to take the long view and understand their unique role in raising a disciple of Christ.

SHOULD I GET MY BABY BAPTIZED Ben Kniskern, 2013-03-31 Should I get my baby baptized? Is christening a baby the right thing to do? If you are asking these questions, it shows that you have a genuine concern for your child's future, a future that will be in serious jeopardy if you, as a parent, are not careful to make wise decisions on your child's behalf. The fact is, infant baptism is only the first in a long line of critical choices that you will have to make in the foreseeable future. These decisions will determine what kind of person this little baby you are holding in your arms will ultimately become, as well as their eternal destiny. Having a child makes you a parent, and parents in God's eyes are responsible for training their child in the teachings of the Lord. This book first helps you understand God's teaching on the subject of baptism and then moves on from there to share proven Christian child-raising techniques that will help you raise a child that will bring you joy as a parent.

Baptism, Your Child and You Anthony Scannell, O.F.M., 2004-09-01 Baptism is presented as one of the most important decisions a family makes for a child. This fully illustrated booklet, originally produced by Franciscan Communications, explores the obligations which parents take upon themselves at this time as they too begin a new phase in their own journeys of faith.

Why Baptizing Your Child Matters Robert H. Orner, 2014-01-13 Tills book is written for young families. It avoids the baptism debate while graciously presenting the story of God's faithful provision, protection, and promise of deliverance for His people, given through the sign of the covenant. Beginning with Adam and continuing through Abraham, it traces through the Scripture: 1. God's common grace for all people, 2. His covenant grace for believers and their children, received through the sign of the covenant, and 3. His saving grace applied through faith. The reader is shown how the same levels of grace are given in a deeper and fuller way upon the finished work of Jesus Christ. The themes of provision, protection, and deliverance are applied to our present day. The book concludes by taking the reader through five questions commonly asked of parents and congregations during the baptism ceremony.
