Dixon,2016-03-04 It's hard being the most popular girl on the ice planet The alien men are falling all over themselves to impress me in the hopes that I'll take them to my furs But they don't know my secrets none of them do And they don't realize that behind my smile I just wish they'd go away I don't want any of them I want someone else someone with a gorgeous blue body big horns and the most intense gaze ever He's the only one that knows the truth Maybe with him I can work through my fears of the past but I'm pretty sure he wants more than just friendship He wants forever and I'm not sure I can give it

Barbarian's Hope Ruby Dixon,2025-04-29 The next novel in the Ice Planet Barbarians series an international publishing phenomenon now in a special print edition with bonus material Asha and Hemalo's relationship has never been easy for there is just as much hurt between them as there is love Will they find their way back to each other or will they let tragedy keep them separated for good Seasons ago I resonated to the quietest of tribesmates a male content to love me from afar while I was the center of attention We could have been happy Despite our differences I loved him and he loved me But then a terrible thing happened and my world was never the same again Now resonance is giving us a second chance but I'm afraid What if our bond is too broken to be fixed What if there's no hope left for us at all **Record of Prize Mares ... and**

a good reason to pitch a fit my shy sister was stolen away right under my nose Of course now she s back and mated Everyone s happy except me I need affection Attention Okay I m lonely Really lonely Strangely enough the only person that I think understands what I m going through is the same blue skinned brute that stole my sister It s wrong to hook up with him even as a mindless fling Except I m not so good with the whole rules thing And he s not so great with the fling thing But maybe there s a chance for us
