begin to flounder in the miasma of tired careworn marriages pangs of only middling professional success and demands of children whose need for love seems more a distraction than a joy It is through the children however with their own games secrets rivalries and loyalties that the adults come to see the frail but undeniable connections spun by love family and friendship With multiple narrative perspectives poignant insights and sometimes painful honesty Kit Reed creates a story of individuals confronting the insubstantiality of their dreams and discovering and surviving their own flawed humanity
