Baring It All (Short Story) Megan Frampton,2013-06-24 Megan Frampton turns up the heat on one bride to be and her oblivious bridegroom in this steamy and scandalous eBook original short story of Regency romance It is with great discretion that this columnist discusses the sensitive topic of undergarments Some ladies it seems do not pay strict attention to what they wear under their gowns A crucial error my ladies Lady Violet knows Lord Christian Jepstow is interested in women The problem is he hasn't seemed to realize that Violet is a living breathing woman a woman with needs Which is a huge problem considering the fact that Violet and Christian are betrothed Violet has no intention of saying her vows without knowing if her husband has the capacity to love her properly so she does what anyone would do in her situation she steps into his study and offers to take off her clothes What happens next could be an utter disaster or it could be surprising seductive and sizzingly sexy Includes a special message from the editor as well as an excerpt from the Loveswept title Hero of My Heart
