## **Barkers Crime:**

*G-Men, Gangsters and Gators* Brian Hunt, 2016-03-08 Throughout the 1930s FBI agents tracked down members of the notorious Barker Karpis gang Led by Special Agent in Charge Earl E J Connelley the federal flying squad that hunted John Dillinger focused its sights on Fred and Kate Ma Barker Clues led them to central Florida In the early morning hours of January 16 1935 agents surrounded a lake house and ordered the Barkers outside What followed was the longest shoot out in FBI history and the deaths of the Barkers Pieced together from reports by the agents involved Brian Hunt retells the story of that fateful day Alvin Karpis and the Barker Gang in Minnesota Deborah Frethem & Cynthia Schreiner Smith, 2020 From their home base in Minnesota the Karpis Barker Gang cut a swath of crime and terror across the Midwest in the early 1930s They kidnapped two important businessmen and held them for exorbitant ransoms They stole payrolls and robbed banks as the bullets flew Corrupt police and wily crime bosses helped Alvin Karpis and the Barker brothers Freddie and Doc every step of the way Who were these men and women What made them into killers and kidnapers How did their reckless lifestyles lead to their downfall From Ma Barker to Volney Davis to Edna Murray the Kissing Bandit authors Deborah Frethem and Cynthia Schreiner Smith delve into the crimes personalities and motivations of one of the most successful and infamous gangs in American history Secret Partners Timothy R. Mahoney, 2013-09-15 Among the most dangerous criminals of the public enemies era was a man who has long hidden in history s shadows Tom Brown In the early 1930s while he was police chief of St Paul Minnesota Brown became a secret partner of the infamous Barker gang He profited from their violent crimes he protected the gang from raids by the nascent FBI and while he did all this the gangsters gunned down cops and citizens in his hometown Big Tom Brown 6 5 and 275 pounds continued to enforce St Paul s corrupt O Connor system allowing criminals to stay in the city as long as they paid off the cops and committed no crimes within fifty miles But in the early 1930s the system broke down no longer supported by cash skimmed from illegal booze gangsters turned to robbing banks and the Barker gang kidnapped two of the prominent citizens who had been complicit in the liquor trade Brown was the insider who kept the criminals safe but for highly political reasons he was never convicted of his crimes Timothy Mahoney tells this fascinating story details how the fraud was uncovered and at last exposes the corruption of a secret partnership **The Barker-Karpis Gang** W. D. Smith, 2016-07-22 The Barker Karpis gang was one of the Depression Era s most ruthless operated throughout the Midwestern U S from Missouri into the Dakotas They were largely unnoticed as the public s attention was fixed upon the more familiar celebrity gangsters of the day such as the Barrow gang John Dillinger Charles Pretty Boy Floyd and others The Barker boys with their mother tagging along for the ride and their partner Alvin Karpis robbed banks and engaged in two major kidnappings before finally being stopped in a bloody four hour gun battle with Hoover s Federal agents at a cottage in Oklawaha Florida on the shore of Lake Weir on January 16 1935 This is their story **Ma Barker and the Barker-Karpis Gang** , 2020-06 Includes pictures Includes a bibliography for further reading

America has always preferred heroes who weren't clean cut an informal ode to the rugged individualism and pioneering spirit that defined the nation in previous centuries The early 19th century saw the glorification of frontier folk heroes like Davy Crockett and Daniel Boone After the Civil War the outlaws of the West were more popular than the marshals with Jesse James and Billy the Kid finding their way into dime novels And at the height of the Great Depression in the 1930s there were the Public Enemies common criminals and cold blooded murderers elevated to the level of folk heroes by a public frustrated with their own inability to make a living honestly Among America's most infamous Public Enemies perhaps the most unique and controversial was Kate Barker With her prominent hawk tipped nose and plump doughy face framed by a classic dark curly coif and frilly day dresses to match Ma Barker was as non threatening as they come Nary a second glance was given to this grandmotherly figure by those who crossed her path perhaps at most a polite tip of the hat Of course as the age old adage goes appearances are often deceiving According to the FBI and portrayals in popular culture not only was Ma Barker a crass greedy and highly manipulative individual who coaxed her sons into the abyss like vortex of criminality she was the matriarchal mastermind of one of the most notorious gangs of the Dirty Thirties era The public devoured the countless articles that their action packed crimes generated with gusto but few could compare to the meteoric whirlwind of morbid excitement that erupted when the sensational story of the Ma Barker Gang made its rounds The Ma Barker Gang as they were so branded wasn't a typical band of small time crooks Quite the contrary the unorthodox family run enterprise was as described by FBI Director J Edgar Hoover the most vicious cold blooded crew of murderers kidnappers and robbers in recent memory The gang was as accomplished and dangerous as it was elusive and between 1930 and 1933 alone they made off with an estimated 3 million In their heyday the gang boasted some 25 members and through it all the Barker boys remained its core members Blood as per the Barker code would always be thicker than water The Ma Barker Gang which was reportedly governed by the middle aged misleadingly unassuming yet apparently ride or die mother of the Barker boys easily warranted a class of its own The obvious novelty of the alleged gang leader's identity aside the disturbing fates of the Barker brothers and many of their associates served as a cautionary tale about the dangers and delusions that ensue when one becomes consumed by unbridled avarice and arrogance But why were the Barker brothers once innocent young lads steered so far off the path of righteousness What was the true depth of Ma's involvement in the gang's laundry list of despicable crimes How did the once untouchable gang's winning streak culminate in such catastrophic disaster The pursuit of the Barkers was a piece of what made the FBI a national institution and alongside similar efforts to bring John Dillinger and Bonnie Clyde to justice the G Men became the symbol of law and order in the early 1930s The FBI's dissemination of information about Ma Barker all but cemented her notorious reputation but in the decades since FBI Director J Edgar Hoover has become a controversial figure himself and modern historians have reached different conclusions about Ma Barker's involvement in the gang's criminal activities Alvin Karpis one of the gang's leaders insisted The most ridiculous story in the

annals of crime is that Ma Barker was the mastermind behind the Karpis Barker gang She wasn't a leader of criminals or even a criminal herself
