Barrymores Hollywoods First Family:

The Barrymores Carol Stein Hoffman,2001-11-23 Spanning over six generations two continents and three centuries the family of actors that would be known as the Barrymores has become an emblem of the American stage and screen From Elizabethan England to present day Hollywood there has never been a more talented romantic and complex family tree For the Barrymores acting was truly in the blood The Barrymores Hollywood s First Family documents the history of America s acting dynasty in words and pictures with never before seen photos from the Barrymore collection Including beautiful portraits from John and Dolores s honeymoon film stills and dozens of other rare photographs this collection is the first to fully present the glamour and the legend that is Barrymore *Film's First Family* Terry Chester Shulman,2019-11-12 Scandal adultery secret marriages divorce custody battles suicide attempts and alcoholism the trials and tribulations of the Costellos were as riveting as any Hollywood feature film This eccentric and talented clan was one of the twentieth century s most famous families of actors until their achievements were eclipsed by their own immutable penchant for self destruction Patriarch Maurice Costello was considered the first screen idol until his career marked by accusations of spousal abuse drunkenness and physical assault abruptly ended Costello s daughter Helene was the first actress to star in an all talking picture but her career was ruined by a very public divorce from Lowell Sherman who testified that his wife was a drunk and an avid reader of pornography And though the original members of this family may be gone the legacy lives on most notably through actress Drew Barrymore Written with unprecedented access to the family s personal documents and artifacts as well as interviews with several family members Film s First Family explores the dramatic history of the Costellos and their extraordinary significance to the stage and screen *Lionel Barrymore* Kathleen Spaltro,2024-08-13 Once called the most gifted character actor of our time by Broadway theater producer Arthur Hopkins Lionel Barrymore 1878 1954 was part of the illustrious Barrymore acting dynasty Although he garnered success on stage and screen and was a talented actor writer director visual artist and composer he never quite escaped the shadow of his family members including his brother John famous for his leading roles Barrymore won the Academy Award for Best Actor in *A Free Soul* 1931 and was nominated for Best Director for *Madame X* 1930 However he is best known for his role as Mr Potter in *It s a Wonderful Life* 1946 and as the voice of Ebenezer Scrooge in radio broadcasts of *A Christmas Carol* from 1934 to 1953 He spent the last two decades of his career playing versions of his signature character the curmudgeonly but lovable gentleman in a variety of films from *You Can t Take It With You* 1938 to *Key Largo* 1948 Barrymore worked alongside some of Hollywood s most recognizable names including Humphrey Bogart James Stewart Frank Capra Lauren Bacall Clark Gable and Ava Gardner and his legacy is enshrined at the Hollywood Walk of Fame where he has two stars one for radio and one for film In *Lionel Barrymore Character and Endurance in Hollywood s Golden Age* Kathleen Spaltro examines Barrymore as an individual rather than just a supporting cast member of the famous dynasty This comprehensive study divides Barrymore s life into three compelling

acts Act One follows Barrymore's early days his failed endeavor as a visual artist his performances in the family vaudeville acts his first silent motion pictures and his greatest successes and failures on the stage Act Two details Barrymore's establishment as a fixture at MGM his foray into directing his success as the first actor to thrive in the talkies and his estimable Oscar winning performance Finally Act Three expounds on Barrymore's curation of his trademark character the endearing grouch his exploits in radio and his fateful final years Spaltro also unearths Barrymore's personal challenges recounts his difficulties with and sometimes estrangement from members of his family and delves into the devastating losses Barrymore suffered his divorce the deaths of his two daughters and later the death of his second wife and the accidents that eventually led to permanent disabilities requiring the use of a wheelchair Lionel Barrymore is a detailed multifaceted portrait of a brilliant character actor The Barrymores James Kotsilibas-Davis,1981 *Drew Barrymore Biography: The Wildflower of Hollywood Revealed* Chris Dicker, Drew Barrymore was quite a troubling child She lived on her own at 14 Drew had to grow up fast to meet those early challenges in life She was in a rehab multiple times in her teenage years Despite the difficulties her childhood was filled with adventures challenges and incredible experiences Drew Barrymore has been an actress for most of her life She is someone who if there is a blockbuster film or a romantic comedy you can be sure that it will generate a lot of buzzes no matter what She has managed to become a very respectable adult and businesswoman Drew also cares about people who are in need and she believes in the causes she lends her time to help She has been an animal rights activist who lends her voice to those who cannot speak for themselves You'll also learn about Drew Barrymore relationship with her parents especially her father We'll also discuss her love life into some detail and many more adventures and lessons that have led her to the successful happy and healthy place she is today Grab your copy now Drew Barrymore Chereese Cartlidge,2012 Presents a biography of Drew Barrymore and how she conquered her addictions to become one of the most sought after women in Hollywood Celebrity Family Trees Ed Wright,2006 If you thought the rich and famous were weird wait till you meet their relatives Back cover **Motion Picture Story Magazine** ,1927 The Virginia Quarterly Review ,2002 *Dramatics* ,2003 *The Publishers Weekly* ,2001 **Playbill** ,2001 Genealogies Cataloged by the Library of Congress Since 1986 Library of Congress,1991 The bibliographic holdings of family histories at the Library of Congress Entries are arranged alphabetically of the works of those involved in Genealogy and also items available through the Library of Congress **BFI Film and Television Handbook 2003** Eddie Dyja,2002-12-01 No Marketing Blurb Sight and Sound ,2002 **America, History and Life** ,2007 Article abstracts and citations of reviews and dissertations covering the United States and Canada **Chambers Biographical Dictionary** Camilla Rockwood,2007 International and historical coverage of all areas of human achievement including the arts science technology sport politics philosophy and business Detailed panel entries on particularly important or influential people such as Albert Einstein the Bronte sisters and Nelson Mandela *Theatre Magazine* W.
