A pivotal twentieth-century composer, Samuel Barber earned a long list of honors and accolades that included two Pulitzer Prizes for Music and the public support of conductors like Arturo Toscanini, Serge Koussevitzky, and Leonard Bernstein. Barber's works have since become standard concert repertoire and continue to flourish across high art and popular culture. Acclaimed biographer Howard Pollack, Aaron Copland, George Gershwin offers a multifaceted account of Barber's life and music while placing the artist in his social and cultural milieu. Born into a musical family, Barber pursued his artistic ambitions from childhood. Pollack follows Barber's path from his precocious youth through a career where, from the start, the composer consistently received prizes, fellowships, and other recognition. Stylistic analyses of works like the *Adagio for Strings*, the *Violin Concerto*, *Knoxville Summer of 1915* for voice and orchestra, the *Piano Concerto*, and the operas *Vanessa* and *Antony and Cleopatra* stand alongside revealing accounts of the music's commissioning, performance, reception, and legacy. Throughout, Pollack weaves in accounts of Barber's encounters with colleagues like Aaron Copland and Francis Poulenc, performers from Eleanor Steber and Leontyne Price to Vladimir Horowitz and Van Cliburn, patrons, admirers, and a

wide circle of eminent friends and acquaintances He also provides an eloquent portrait of the composer's decades long relationship with the renowned opera composer Gian Carlo Menotti Informed by new interviews and immense archival research Samuel Barber is a long awaited critical and personal biography of a monumental figure in twentieth century American music *People in the News* 1993 David M. McLean explores the curious pairing of classical and contemporary art and entertainment high culture and popular culture to reveal the ambivalent place that this art form occupies in American life Drawing on examples that range from musicals to tragic melodramas she shows how commercial films have produced an image of ballet and its artists that is associated both with joy fulfillment fame and power and with sexual and mental perversity melancholy and death Although ballet is still received by many with a lack of interest or outright suspicion McLean argues that these attitudes as well as ballet's popularity and its acceptability as a way of life and a profession have often depended on what audiences first learned about it from the movies **Index to Dance Periodicals 1998** Nyppl Dance Collection, 1999-08 *Outstanding Books for the College Bound* Marjorie Lewis, 1996 These expert
