

# Bantu Languages

**Harry Johnston**

## **Bantu Languages:**

Introductory Sketch of the Bantu Languages Alice Werner, 1919      **The Bantu Languages** Mark Van de Velde, Koen Bostoen, Derek Nurse, Gérard Philippson, 2019-01-30 Written by an international team of experts this comprehensive volume presents grammatical analyses of individual Bantu languages comparative studies of their main phonetic phonological and grammatical characteristics and overview chapters on their history and classification It is estimated that some 300 to 350 million people or one in three Africans are Bantu speakers Van de Velde and Bostoen bring together their linguistic expertise to produce a volume that builds on Nurse and Philippson's first edition The Bantu Languages 2nd edition is divided into two parts Part 1 contains 11 comparative chapters and Part 2 provides grammar sketches of 12 individual Bantu languages some of which were previously undescribed The grammar sketches follow a general template that allows for easy comparison Thoroughly revised and updated to include more language descriptions and the latest comparative insights New to this edition new chapters on syntax tone reconstruction and language contact 12 new sketch grammars thoroughly updated chapters on phonetics aspect tense mood and classification exhaustive catalogue of known languages with essential references This unique resource remains the ideal reference for advanced undergraduate and postgraduate students of Bantu linguistics and languages It will be of interest to researchers and anyone with an interest in historical linguistics linguistic typology and grammatical analysis

The Southern Bantu Languages Clement M. Doke, 2017-09-20 For the purposes of this volume originally published in 1954 two southern zones of Bantu have been included south of the Zambesi and east of the Kalahari The book discusses the phonetic and morphological characteristics of these 2 zones and a classification of the groups clusters and dialects is provided For comparative purposes detailed information on some striking dialectical forms is given in the appendices

*The Bantu Languages of Africa* M. A. Bryan, 2017-09-22 The area covered by this book originally published in 1953 is one that has long been recognized as presenting many problems from the point of view of Bantu linguistic studies Almost all the material set out in this present work is based on notes taken in the field and in many cases presented completely new facts The sources of the information used are listed at the end of the linguistic description of each of the groups of languages dealt with Since there are so many languages to be covered it would be impracticable to give even an outline of the main features of each of them so an outline is given of the main characteristics of each separate group One language is used as the type for each group for the purpose of listing examples of the nominal prefixes verbal conjugation and personal prefixes Other features are illustrated from whichever language is the most suitable

*The Oxford Guide to the Bantu Languages* Lutz Marten, Ellen Hurst-Harosh, Nancy C. Kula, Jochen Zeller, 2025-08-19 This volume brings together leading scholars from Africa Europe the Americas and beyond to provide a detailed account of the languages of the Bantu family which cover an area from Cameroon and Kenya in the north to South Africa in the south The Bantu family is part of the Niger Congo phylum and one of the world's biggest language groups comprising around 500

languages The family includes major languages with large numbers of speakers such as Zulu Kinyarwanda and Swahili the most widely spoken and taught African language as well as many community languages and several endangered languages Bantu languages feature prominently in the complex and multilingual language ecologies that are characteristic of the linguistic situation in much of Africa and they provide rich evidence for the study of theoretical and comparative linguistics language contact and language change They play an important role in education commerce culture and artistic expression in the media and public discourse in governance and social justice and are central to the future of the continent and the well being of its communities The first part of The Oxford Guide to the Bantu Languages provides background and context with chapters exploring the history of research in the field language and prehistory in Bantu speaking Africa and typology and variation Chapters in the second part offer broad comparative overviews of Bantu phonology morphology syntax semantics and pragmatics socio and applied linguistics before Parts III VII cover more specific topics in Bantu linguistics across a variety of subfields ranging from structural issues such as the augment and melodic tone to historical and sociolinguistic topics such as Bantu languages in the diaspora and language policy and standardization The chapters in the final part offer individual structural overviews of a range of languages from across the Bantu speaking area The book will be an essential resource for students and researchers specializing in the Bantu languages and for typologists and comparative linguists more broadly

**The Bantu Languages** Mark Van de Velde, Koen Bostoen, Derek Nurse, Gérard Philippson, 2019-01-30 Written by an international team of experts this comprehensive volume presents grammatical analyses of individual Bantu languages comparative studies of their main phonetic phonological and grammatical characteristics and overview chapters on their history and classification It is estimated that some 300 to 350 million people or one in three Africans are Bantu speakers Van de Velde and Bostoen bring together their linguistic expertise to produce a volume that builds on Nurse and Philippson's first edition The Bantu Languages 2nd edition is divided into two parts Part 1 contains 11 comparative chapters and Part 2 provides grammar sketches of 12 individual Bantu languages some of which were previously undescribed The grammar sketches follow a general template that allows for easy comparison Thoroughly revised and updated to include more language descriptions and the latest comparative insights New to this edition new chapters on syntax tone reconstruction and language contact 12 new sketch grammars thoroughly updated chapters on phonetics aspect tense mood and classification exhaustive catalogue of known languages with essential references This unique resource remains the ideal reference for advanced undergraduate and postgraduate students of Bantu linguistics and languages It will be of interest to researchers and anyone with an interest in historical linguistics linguistic typology and grammatical analysis

The Southern Bantu Languages. [With a Map.] Clement Martyn Doke, 1954 From the beginning of the sixteenth century Portuguese writers recorded considerable numbers of Bantu words particularly from the languages of the eastern coast of Africa where Sofala Kilwa Mozambique and other places had been occupied by considerable forces and many such words

may be culled from the writings of Barbosa De Barros Silveira Monclaro dos Santos and others The first serious recordings from the Bantu languages of the western coast were in the Report of the Kingdom of Congo in 1591 by Pigafetta an Italian who obtained his information from a Portuguese merchant named Lopes The words recorded were from the Kongo language and many of them are verifiable today A Comparative Study of the Bantu and Semi-Bantu Languages Harry Johnston,1919 *Introductory Sketch of the Bantu Languages* Alice Werner,1919 **The Bantu Languages of Western Equatorial Africa** Malcolm Guthrie,2017-09-22 The area covered by this book originally published in 1953 is one that has long been recognized as presenting many problems from the point of view of Bantu linguistic studies Almost all the material set out in this present work is based on notes taken in the field and in many cases presented completely new facts The sources of the information used are listed at the end of the linguistic description of each of the groups of languages dealt with Since there are so many languages to be covered it would be impracticable to give even an outline of the main features of each of them so an outline is given of the main characteristics of each separate group One language is used as the type for each group for the purpose of listing examples of the nominal prefixes verbal conjugation and personal prefixes Other features are illustrated from whichever language is the most suitable *The Non-Bantu Languages of North-Eastern Africa* A. N. Tucker,M. A. Bryan,2017-09-22 Originally published in 1956 this volume presents a survey of the non Bantu languages in the area extending south of the Sahara from Lake Chad to the Indian Ocean together with those of South Africa The arrangement is primarily linguistic in as much as larger units which show some indisputable affinities are where possible treated contiguously Languages in the centre of the total area are discussed first followed by those in the west north east and finally south *Language in South Africa* Rajend Mesthrie,2002-10-17 A wide ranging guide to language and society in South Africa The book surveys the most important language groupings in the region in terms of wider socio historical processes contact between the different language varieties language and public policy issues associated with post apartheid society and its eleven official languages The Classification of the Bantu Languages bound with Bantu Word Division Malcolm Guthrie,2017-09-22 The first volume of this pair The Classification of Bantu Languages originally published in 1948 investigates the questions arising out of the use of the term Bantu It establishes and illustrates the criteria used in identifying languages as members of the Bantu family The technique used in classification is described and its results shown in the form of a series of descriptive classifications of each of the principal areas As well as the map not included in the volume due to modern methods of reproduction but available to view on routledge com there is a complete list of languages classified in their groups The second volume Bantu Word Division published in the same year discusses a question which for many years was the subject of protracted controversy namely the dispute between the conjunctivist and the disjunctivist with regard to word division This pamphlet discusses word division from a different angle and solves the problem in a more conclusive way

## **Bantu Languages Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Bantu Languages has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Bantu Languages has opened up a world of possibilities. Downloading Bantu Languages provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Bantu Languages has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Bantu Languages. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Bantu Languages. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Bantu Languages, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Bantu Languages has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Bantu Languages Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Bantu Languages is one of the best book in our library for free trial. We provide copy of Bantu Languages in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Bantu Languages. Where to download Bantu Languages online for free? Are you looking for Bantu Languages PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Bantu Languages. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Bantu Languages are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Bantu Languages. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell

Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Bantu Languages To get started finding Bantu Languages, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Bantu Languages So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Bantu Languages. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Bantu Languages, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop.
