What Child is This? Randy Burba, 2020-12-22 What is the most famous event in the history of the world For millions of people the answer is the birth life and death of Jesus Christ The coming of God's human son Even non believers have heard the story countless times and somewhere in the darkest corners of their mind they too wonder what if What if it happened again Today What if God sent another son to the world once again to be raised by good and honorable people living average lives Would anyone believe it And even if they did how would they react Would they rejoice or cower in fear Would they come to worship the modern day savior or would they come as some did before to destroy him Against the backdrop of modern American culture this is the story of Isaac the unexpected son of Melanie Russel a schoolteacher and her husband Jack a gifted physician Good people living average lives until the fate of the world is suddenly bestowed upon them in the form of a very special son But just as it did more than 2000 years ago this story involves much more than the Holy Child and the incredible task assigned to him by the creator It also deals with the tremendous burden placed on Isaac's parents their friends and loved ones and even the unknown protectors who for different reasons step forward to care for the earthly Son of God Of course this is also the story of Isaac the brave isolated child who is sent into the lion's den to live love learn and mature and who is eventually asked to return to his true Father and report on the waning condition of the human spirit But more than anything this is the story of simple people committed and willing to sacrifice everything in order to love and nurture a not so simple child Why Because they believe Because they were chosen
