A Sourcebook for Baptist Heritage H. Leon McBeth, 1990-01-01 Companion to the The Baptist Heritage this book provides documents that will enrich the study of Baptist history **Witnesses to the Baptist Heritage** Michael E. Williams, Sr., 2016-02-01 Essays on key Baptist leaders throughout history Baptists lack a single central figure in their origins that Lutherans Reformed Presbyterians and Methodists have with Martin Luther John Calvin John Knox and John Wesley Additionally Baptists focus so heavily on the Bible for authority and key beliefs or practices like religious liberty social justice missions and preaching that sometimes Baptists and other Christians forget the significant role that people play in forging and promoting those ideas and practices This book seeks to address this shortcoming by providing an introductory text of Baptist biographies Certainly shorter than a full length biography but definitely longer than an encyclopedia article this sampling of key Baptist leaders through the years view the story of Baptists through a biographical lens while linking these women and men to a key Baptist distinctive A short suggested reading list is added at the end of each chapter to enhance further study Highlighted Baptist leaders include Thomas Helwys John Clarke Benjamin Keach Anne Dutton Shubal Stearns Isaac Backus Dan Taylor Andrew Fuller John Leland William Carey Lott Carey Adoniram Judson J Gerhard Oncken I T Tichenor Robert Cooke Buckner Charles H Spurgeon Lottie Moon E C Morris E Y Mullins Walter Rauschenbusch Helen Barrett Montgomery George W Truett William Owen Carver James Henry Rushbrooke Nannie Helen Burroughs B B McKinney Thomas Buford Maston Herschel H Hobbs Henlee Barnette and Gardner C Taylor **Baptist Heritage: Four**

Walter B. Shurden, 2005 This collection of essays by different authors is presented as a tribute to Walter B Buddy Shurden distinctively Baptist church historian teacher preacher author Baptist apologist extraordinaire The rationale of this celebration of the lifework and influence of Walter Shurden is well stated for example in editor Marc Jolley s preface D uring some of the initial forays of our most recent and ongoing Fundamentalist Moderate controversy there were days when I thought about changing denominations Shurden s works were instrumental in my remaining a Baptist not because I could see how Baptists had always had controversies and survived although that is true but because he helped me understand that the reason I had been Baptist and would remain so was due to our Baptist distinctives our freedoms For so much more but especially for that understanding I am forever grateful Many students Baptists in the pews some at the pulpit or lectern even some who are not distinctively Baptist could testify in like terms regarding the ongoing work and influence of Walter B Shurden The essays in this collection of course address some of the primary concerns of Walter Shurden augmenting that already significant lifework

Not an Easy Journey Walter B. Shurden, 2005 Shurden on Baptists Assessments Appreciations Apologies contains articles essays and speeches given by Walter Shurden on Baptists Walter Shurden is a longtime champion of the role of freedom in the Baptist tradition Recognizing that freedom alone does not tell the whole story Shurden also speaks to and from other cardinal Baptist convictions Some of the materials in this volume appear for the first time and consist of speeches and addresses that Shurden has made at crucial points in recent Baptist life in America in the latter part of the twentieth century Especially concerned with the fundamentalist takeover of the Southern Baptist Convention and the resulting lack of emphasis on historic Baptist principles Shurden addresses directly and indirectly the SBC controversy in several of the chapters of this book More Shurden emphasizes what makes Baptists distinctive in American religious life
