The Insula of the Menander at Pompeii Penelope M. Allison,2007-01-04 This book contains catalogues analyses photographs and drawings of some 2 000 archaeological artefacts excavated from the Insula of the Menander in Pompeii The catalogues and analyses are organized by provenance buildings rooms and location within rooms so that the reader can understand the artefacts as household assemblages The functions of artefacts and groups of artefacts are discussed as are the Latin names which are often given to these artefacts and the relationships of these assemblages to the state of occupancy of the buildings in the Insula during the last years of Pompeii This study therefore provides a wealth of information not only on the range and use of artefacts in Pompeian houses but also on Roman artefacts and Roman society more generally

The Insula of the Menander at Pompeii Roger Ling, Penelope M. Allison, Paul R. Arthur, 1997 The Insula of the Menander is one of the most completely excavated city blocks in Pompeii with buildings ranging from small shops to large aristocratic houses This volume the third in a series of five volumes examining the Insula is the first ever comprehensive study of the contents of Pompeian houses and buildings within their original contexts It provides a great insight into living conditions in Pompeii during the final years of the city
