**Expatriate Games** Judith Parzych, 2003-09-29 Moving is never an easy task especially moving to a foreign country Expatriate Games is a book that describes the challenges and unexpected joys of adapting to a life abroad as experienced by a culture shocked young mother as she struggles to make a life for herself her engineer husband and their four year old daughter in Orsay France

**From Greed to Grace** David McCracken, 2011-04 From Greed to Grace is the story of one man s struggle to find his path through life from a meager beginning to what many Christians would call a successful conclusion Author David McCracken s unhappy childhood took place in the 1940s on a small 200 acre farm in Lyon County Kansas without running water or electricity Attending Sunday school at the age of nine for a couple months was the only framework upon which he could build a Christian life Yet as a teen he cried out for God s help The author had no knowledge of the Holy Spirit at that time but sensed that God heard his prayer and a peace came over the author The heart of this memoir is devoted to the transformation the author went through that includes his years of struggle to overcome greed and allow God to guide his steps how he became a successful self taught day trader in the stock market and how he won a 39 year old claim with the VA Along the way McCracken served in the United States Air Force taught speech and debate was an award winning debate coach learned the stock market and became a religious man This stunning book about overcoming adversity will open windows when others have tried to close doors JDavid McCracken is now retired and living in Arizona Publisher s website <http://www.strategicpublishinggroup.com/title/FromGreedToGrace.html>

*The First History of Man* John Bershof, MD, 2024-05-16 In the spirit of medieval writer Chaucer all human activity lies within the artist s scope the History of Man Series uses medicine as a jumping off point to explore precisely that all history all science all human activity since the beginning of time The jumping off style of writing takes the reader the listener into worlds unknown always returning to base only to jump off again History of Man are stories and tales of nearly everything The First History of Man uses infection in general bacteria viruses fungus parasites epidemics pandemics COVID 19 to lay the foundation for the next five books narratives and stories that delve deeper into human infectious diseases This first volume jumps off into accounts of the Big Bang Theory the real one but also the sitcom the origin of the Universe from atoms to DNA to us and how exactly it happened In our journey we ll explore Einstein and Newton who were probably aliens he said jokingly the Roman Empire British history and all those wives of King Henry VIII the why and how of the Protestant Reformation why Pluto lost its planet status in our solar system what exactly is the sweet spot of a solar system all the while digging up some archeology and even paying a visit
