**Airport Interiors** Steve Thomas-Emberson, 2007-12-10 In the last decade a great deal of excitement has been generated around the architecture of contemporary airports It is however the inside rather than the outside of airport terminals that have undergone the most substantial design revolution With increased security passengers spend an increasing amount of time in airports airside awaiting flights Airport operators have capitalised on this captive audience becoming increasingly sophisticated in their provision of facilities as suppliers of much more than essential amenities and mini shopping malls Airlines also seek to express their competitive advantage through their lounges and adjacent spaces and retailers and food and beverage providers are producing attractive often localised spaces for visitors The operators are keen to differentiate the quality of their terminals whether it is through pitching at a luxury goods market with top name brands or endowing their interior spaces with a unique sense of place This book is not only one of the first titles to focus on airports interior design but also to realise for both a design and business readership the financial and strategic importance of airport interior design Airport Interiors features exemplary case studies from all over the world including the Malaysian luxury goods retailer Valiram duty free retail in Bangkok's Suvarnabhumi Airport the UK restaurant

chain Giraffe leading lounge concepts from Virgin Atlantic and the innovative airport retail outlets of Chinese brand Shanghai Tang While providing designers with a unique understanding of business needs the book also highlights to operators and retailers how high the design bar is set in this competitive field *Spanish Interiors, Furniture and Details, from the 14th to the 17th Century*, 1925 **Interior Design Masters** Mark Hinchman, Elyssa Yoneda, 2018-06-27 Interior Design Masters contains 300 biographical entries of people who have significantly impacted design They are the people historical and contemporary that students and practitioners should know Coverage starts in the late Renaissance with a focus on the twentieth and twenty first centuries The book has five sections with the entries alphabetical in each so it can serve as a history textbook and a reference guide The seventeenth and eighteenth century section covers figures from Thomas Chippendale to Horace Walpole The nineteenth century section includes William Morris and Candace Wheeler The early twentieth century section presents modernism s design heroes including Marcel Breuer Eileen Gray and Gilbert Rohde The post World War II designers range from Madeleine Castaing to Raymond Loewy The final contemporary section includes Ron Arad and the Bouroullec brothers These are the canonical figures who belong to any design history The book also contains less well known figures who deserve attention such as Betty Joel the British art deco furniture designer Paul Veysseyre the Frenchman active in China in the 1930s and more recently Lanzavecchia Wai the Italian Singaporean duo whose work ranges from health care to helicopters Global in its coverage the book is richly illustrated with over 600 black and white and color photographs *Interiors* Karla J.
