Barnardos Today:

One of a Baker's Dozen Reg Trew,2003 The Invisible Republic Robbie Smyth,2022-03-21 The book establishes a philosophical base for the economic principles of Irish republicanism in the 21st century It traces these from their late 18th century origins to the present day It is unique in terms of contemporary books about Irish republicanism There has been a dearth of economic analysis of the republican position since the creation of the modern Irish state in 1922 The book makes a link between the politics of Tone Davis Lalor Connolly and Pearse through the economic experience of people living and working in not just Ireland but around the world today The examples are contemporary but the ideological basis stretches from the present day back through the last 250 years of developing Irish republican thought It identifies a series of key contemporary economic issues and gives a socialist republican perspective on possible solutions and strategies Ultimately it provides a recalibration of the principles of socialism and republicanism in the 21st century *Enterprise* Robin Lowe,Sue Marriott,2006 The authors here discuss the factors that should be taken into account when starting up a new business However a key factor of this book is the emphasis on the learning and decision making processes of entrepreneurs
