Public Opinion, 1889

Whither Globalization? James H. Mittelman, 2004-10-21 Globalization is usually said to be about markets power and culture This innovative book goes further arguing that globalization may also be understood as a way of knowing and representing the world Mittelman debunks several prevalent myths about globalization and anti globalization presenting alternatives to this force and indicating the prospects for a new common sense about future world order Drawing on considerable original research this book shows how globalization itself and globalization studies have changed since 9 11 Compact and accessible Whither Globalization is a major contribution to the study of globalization by one of the leading scholars in the field and is essential reading for students of international relations and international political economy

Journal of Economic Theory Karl Shell, Jess Benhabib, 1999

Aspects of the Theory of Tariffs (Collected Works of Harry Johnson) Harry Johnson, 2013-07-18 An internationally acknowledged authority on all aspects of the theory of international trade and payments this book collects Harry Johnson's contributions to the study of international trade including a critique of the

theory of effective protection The book discusses the integration of income distribution and other aspects of the economy into the positive theory of tariffs the issues raised by the use of tariffs to promote economic development the implications of distortions of various kinds in the working of competition for tariff theory and policy the costs of protection the implications of effective protection for world economic development and the economic effects of trade preferences the question of free trade and the extent to which it requires the harmonization other aspects of economic policy An Integration of Economic Growth Models in Pure Trade Theory and International Finance John T. Cuddington,1978 *Ricardo's Theory of Growth and Accumulation* Neri Salvadori,2020-04-22 In the aftermath of the Napoleonic Wars Britain found itself faced with a stagnant economy Economist David Ricardo believed that the full re integration of Britain into the world market would allow for both capital accumulation and population growth and used arguments that anticipate ideas entertained in modern contributions to the theory of economic growth and development However several of these arguments have not yet been translated into the language of modern classical economics Ricardo s Theory of Growth and Accumulation seeks to overcome this striking lacuna The latest entry in the Graz Schumpeter lecture series this text explores and elaborates Ricardo s arguments and the models utilized by those who subsequently followed in support of his work The Ricardian system is first examined through a one sector economy following Kaldor s model and a two sector economy following Pasinetti s model These building blocks are developed through the exploration of a small open economy which allows an analysis of the impact of international trade in exceedingly simple circumstances This discussion expands further by considering the world economy More sophisticated variants of the two sector model are presented in which commodity prices are endogenously determined by the trading interplay amongst several countries A final analysis makes Ricardo s case by introducing accumulation in the world economy This book is of interest to students and scholars of Ricardo classical economics and more broadly growth theory the theory of international economics and globalization The author was keen to render the analytical parts compelling to the historian and the historical parts compelling to the theorist **Recent Developments in International Trade Theory** Rodney E. Falvey,Udo Kreickemeier,2005 The last decade has seen many contributions to the field of International Trade Theory This volume contains 27 seminal articles that present significant developments and includes several topics **Applied mechanics reviews** ,1948 **Transactions of the Pharmaceutical Meetings** ,1917 **Dilemmas Of Development Assistance** Sarah Tisch,Michael B Wallace,1994-02-13 Explores the conceptual basis of development assistance and identifies major dilemmas in the relationship between foreign aid policies and the needs of the poor On the basis of extensive field study in Nepal insists that individuals can and do influence political issues inherent in the process of development Minutes of Proceedings of the Institution of Civil Engineers Institution of Civil Engineers (Great Britain),1918 **South Africa** ,1986 **Dynamic Macroeconomic Theory** Thomas J. Sargent,1987-02-27 Describes the general equilibrium models that have been built to help interpret time series observations of economic aggregates and predicts the consequence

of alternative government interventions **Ice Cream Trade Journal** ,1916 **Government Reports Announcements & Index** ,1976 The Encyclopaedia Britannica ,1894 **Unemployment: Past and Present** Philip Arestis,John McCombie,2009 Providing an overview of the debates which have surrounded employment in the world of economics this title includes contributions from many experts in the areas of unemployment and macroeconomics
