**A Question of Time** Verlyn Flieger, 1997 Tolkien's concern with time past and present real and faerie captures the wonder of travel into other worlds and other times This work shows that he was not just a mythmaker and writer of escapist fantasy but a man whose relationship to his own century was troubled and critical *A Question of Time* Cindy Weinstein, 2018-12-13 This book brings together leading critics in American literature to address the representation of time throughout a wide range of genres methodologies and chronological periods American literature from its beginnings to the present provides a particularly rich set of texts to examine in this regard with its interest in history modernity and progress Each essay considers how time embeds itself in a variety of textual representations including Native American rituals Shaker dances novels poetry and magazines in order to provide readers with a capacious view of time's constitutive role in American literature The essays are organized into four sections Materializing Time Performing Time Timing Time and Theorizing Time Each section reflects a particular approach to the question of time but taken as a whole the volume makes visible unexpected temporal patterns that cut across time period and genre *A Question of Time* Joel Pearl, 2013 In *A Question of Time* Joel Pearl offers a new reading of the foundations of psychoanalytic thought indicating the presence of an essential lacuna that has been integral to psychoanalysis since its inception Pearl returns to the moment in which psychoanalysis was born demonstrating how Freud had overlooked one of the most principal issues pertinent to his method the question of time The book shows that it is no coincidence that Freud had never methodically and thoroughly discussed time and that the metaphysical assumption of linear time lies at the very heart of Freudian psychoanalysis Pearl's critical reading of Freud develops through an original dialogue that he creates with the philosophy of Martin Heidegger and specifically with the German philosopher's notion of temporality Pearl traces the encounter between Freud and Heidegger by observing the common inspiration shaping their thinking philosopher Franz Brentano who taught both Freud and Edmund Husserl Heidegger's mentor The book travels down an alternate path one overlooked by Freudian thought a path leading from Brentano through Husserl and onto Heidegger's notion of time which is founded on the ecstatic interrelation of past present and future *Parliamentary Debates*, 1890 *Michigan Legislative Manual and Official Directory* Michigan.
