reality widens ever further Moody even comes to think of Annie as his wife and Lucas as their son Of course they are not As Annie reminds him in moments of anger she and Moody will never be equal She and her son are enslaved When their family breaks apart in the most brutal and tragic way and Lucas flees the only life he s ever known Moody must ask himself whether he has become the man he never wanted to be but is he willing to hear the answer Stretching from the war torn banks of the Rio Brazos in Texas to the muddy waters of Freedom Indiana Moody travels through a country on the brink of civil war relentlessly searching for Lucas and slowly reconciling his past sins with his hopes for the future When he meets Tamsey a former slave and her family trying to escape the reach of the Fugitive Slave Act Moody sees an opportunity for redemption But the world is on the cusp of momentous change and though some things may be forgotten nothing is ever really forgiven
