Green, 1992 This is an examination of six major new versions the New International Version NIV New American Standard Bible NASB New Revised Standard Version NRSV Revised English Bible REB Good News Bible GNB and the New American Bible NAB It includes 1 The textual basis of the above new versions 2 379 New Testament verses in which the above new versions are compared with the Greek of the Received Text and the weak evidence that is back of their adulterations 3 a 200 page examination of the New International Version NIV shows that they have added over 100 000 of their own words and have failed to translate over 20 000 of the original words 4 a separate examination of the New American Standard Bible

NASB There are 8 appendices including a thorough critique of Kurt Aland's Text of the New Testament Get acquainted with the facts for God is going to look to you to warn his people that these new versions are adulterated with many of the heresies of the Gnostics and others Also since they all contain contradictions within themselves and also contradict one another love for your fellow saints should require you to let them know that the words they are reading are not all God's words Jay P Green Sr 1918-2008 is Translator and Editor of The Interlinear Hebrew Greek English Bible and the translator of the Modern King James Version of the Holy Bible The Teenage Version of the Holy Bible and the Literal translation of the Holy Bible He has written numerous books on textual criticism
