**A Reasonable Faith** Oliver Edward Janney, 1914 **A Reasonable Faith** N. E. Kurz, 2025-05-15 Because of the serious spiritual decline in America today the time is right for a book that examines the relationships of faith and reason to Christian evangelism and responsible Christian living Christians need to become more aware that a clearly reasoned presentation of the gospel is necessary to many people for conversion and to all Christians so

they can mature in faith In a pluralistic world an objective approach to the spreading of the Gospel is desperately needed one that will give the non Christian clear ground for trying Christianity Since Christianity claims to be objectively true factual knowledge and historical evidence are important elements in distinguishing the truth claims of Christianity from other religions

**A Reasonable Faith** John Baker Hopkins,1865      **Rawls, Political Liberalism and Reasonable Faith** Paul Weithman,2016-08-11 For over twenty years Paul Weithman has explored the thought of John Rawls to ask how liberalism can secure the principled allegiance of those people whom Rawls called citizens of faith This volume

brings together ten of his major essays including one new unpublished essay which reflect on the task and political character of political philosophy the ways in which liberalism does and does not privatize religion the role of liberal legitimacy in Rawls's theory and the requirements of public reason The essays reveal Rawls as a thinker deeply engaged with political and existential questions that trouble citizens of faith and explore how in firm opposition to political realism he tries to show that the possibility of liberal democracy and the natural goodness of humanity are objects of reasonable faith The volume will be of interest to political philosophers political theorists moral theologians and religious ethicists [A Reasonable Faith](#) Tony Campolo,2008 A Reasonable Faith shows you how to bridge the gap between faith and intellectual arguments and helps you see the ways that Christian beliefs intersect with modern needs and concerns BACK COVER **A Reasonable Faith** ,1881
