A Private Inquiry:

INTELLIGENCE AND PRIVATE INVESTIGATION Hank Prunckun, 2013-07-01 While many books have been written about private investigation this text is different in that it does not deal with the subject from traditional perspectives It examines how private investigation has grown particularly since 9 11 into an exacting and sophisticated occupation The book looks at the key issues in what it describes as private intelligence that is intelligence activities practiced by operatives other than law enforcement national security or the military Eleven world experts contribute chapters addressing key practice issues concerning the skills abilities and knowledge necessary in the new realm of private intelligence The initial three chapters provide a report on present day private intelligence and offer an overview of the specifics of intelligence issues that follow Eleven subsequent chapters take the reader progressively through various intelligence related subjects Major topics presented include skills for intelligence led private investigators open source intelligence target profiling fraud intelligence political intelligence anti terrorist and anti gang intelligence illicit organizations and financial intelligence counterintelligence clandestine communication methods preparing a prosecution brief legal issues for intelligence led private investigators and ethical issues for intelligence led private investigators Additionally the text contains several features that will appeal to both students and instructors These include a set of key terms and phrases a number of study questions and learning activities in each chapter Written in a clear and concise style the text provides a foundation of practical and useful information It will be a most important and unique resource for undergraduate students in private investigation courses as well as intelligence practitioners and general readers interested in self development study Basic Private Investigation Manual Danny Marshall, 2005-05-26 Want to Become a Private Investigator Learn What it Takes There is a fundamental must have level of investigative knowledge and skills that successful private investigators possess These include knowing the rules and regulations of the industry including licensing regulations where and how to obtain information how to properly gather and document evidence how to interview people and how to properly report the results of their work I developed this manual with what I believe specifically addresses vital matters with the rock solid up to date advice and steps necessary to actually become a private investigator Introduction to Private Investigation Joseph Anthony Travers, 1995 The Original Private Investigator's Handbook and Almanac Joseph Travers, 2011-01-17 The Original Private Investigator s Handbook and Almanac is designed to provide the essential knowledge and procedure needed to identify locate and understand how to become a private investigator It is both an instructional guide for those individuals desiring a career as a private investigator and a resource manual that can be an invaluable reference The approach is direct and concise which facilitates comprehension by novices as well as experienced private investigators and makes possible competent and professional reference of all private investigation in the United States and internationally Inquiry Into the Operations of the United State Shipping Board United States. Congress. House. Committee on Merchant Marine and Fisheries, 1919 *The Elements of Private*

Investigation Anthony Manley, 2009-10-19 In today's increasingly litigious society the threat of a private investigator PI being hit with a civil lawsuit or even criminal charges is very real. Keeping up with the multitude of laws that impact what investigators can and can't do can be daunting but could prove very costly if ignored. Emphasizing legal and liability issues.
