A Riyadh Rendezvous Douglass Laird Dippert,2005-09-28 *A Rendezvous with My Destiny* Shyam Parashar,2021-03-04
This book is about the lessons learnt from life over eight decades by Professor Emeritus Shyam Parashar MS FRCS FACS FICS *Soul of Marrakesh* Zohar Benjelloun,Fabrice Nadjari,2022-11-15 If you let yourself fall under the spell of Marrakech everywhere else in the world will seem boring Juan Goytisolo Spanish writer and poet Step inside Yves St Laurent s private library drink the best orange juice in the legendary Jamaa el Fna square stay with some renowned traditional gnawa musicians feast on the medina s most eco friendly tagine while away a few days in a hotel hidden in a palm grove that s also a rare bird sanctuary discover the secret museum where everything is for sale The authors of *Soul of Marrakech* Zohar Benjelloun and Fabrice Nadjari are passionate about Morocco They ve explored every corner of the fascinating city of Marrakech to provide readers with the most exciting and unexpected experiences The *Soul of* collection is a new approach to the art of travel that consists of vagabonding around chance encounters and unforgettable experiences Guidebooks that unlock the hidden doors of a city capture its essence and delve into every last nook and cranny to uncover its soul Each guide in the *Soul of* collection includes the 30 best experiences a city has to offer interviews with those who give the city its spirit original illustrations that capture the city s soul **Events** ,1977 **The Echoes of the Saudi Position During the Events of the Arab Gulf 1411 H (1990-1991 G)** Wakālat al-Anbā' al-Sa'ūdīyah,1991 *Neither The Biggest Or Best* Graham Thomas,2023-12-31 Mostly when we read stories about advertising in the media or in books they concentrate on the big names of the business whether advertisers and their brands agencies or people Yet while they sit at the undoubted glamorous end of the spectrum picking up creative awards and with tales of off screen outr antics to spill they represent only the tip of the iceberg in terms of numbers Under the waterline most of the smaller ad agencies were independent a few were the regional subsidiaries of the biggest agencies Saatchi Dorlands JWT McCanns Royds and Streets all had offices in Manchester for example a few were also second string agencies in London set up by the main agency for a variety of reasons specialist agencies that worked in recruitment finance corporate and business to business advertising for example or to handle conflicting accounts or clients that were too small for the main agency to handle profitably But as Campaign once wrote there is a stigma attached to these agencies They were still are seen as second class and on the fringes of the business Rarely did they act as feeder agencies for talent unlike journalism where many leading journalists started their careers on local newspapers before ending up on Fleet Street Even the Chairman of JWT Manchester admitted in the early 80s that Northern advertising people have a bit of a complex about their London counterparts All regional agencies are in danger of being a bit provincial in their outlook This volume looks at those agencies mainly through a diary written in the late 1970s This gives a vivid truthful warts and or portrayal of what life was like in the tail end of the advertising business **Italy and the Middle East** Paolo Soave,Luciano Monzali,2020-12-10 Italy played a vital role in the Cold War dynamics that shaped the

Middle East in the latter part of the 20th century It was a junior partner in the strategic plans of NATO and warmly appreciated by some Arab countries for its regional approach But Italian foreign policy towards the Middle East balanced between promoting dialogue stability and cooperation on one hand and colluding with global superpower manoeuvres to exploit existing tensions and achieve local influence on the other Italy and the Middle East brings together a range of experts on Italian international relations to analyse for the first time in English the country s Cold War relationship with the Middle East Chapters covering a wide range of defining twentieth century events from the Arab Israeli conflict and the Lebanese Civil War to the Iranian Revolution and the Soviet invasion of Afghanistan demonstrate the nuances of Italian foreign policy in dealing with the complexity of Middle Eastern relations The collection demonstrates the interaction of local and global issues in shaping Italy s international relations with the Middle East making it essential reading to students of the Cold War regional interactions and the international relations of Italy and the Middle East
