A Scripture View Of Hell:

Four Views on Hell William V. Crockett, William Crockett, Stanley N. Gundry, 1996 Four views on what the Scriptures contain regarding the nature of hell are presented in this guide to widely debated biblical interpretation [All You Want to Know About Hell](#) Steve Gregg, 2013-11-12 All You Want to Know About Hell breaks down the three most popular views on hell and tells us what the Bible really says about this terrifying and mystifying place It is an undeniable fact that the very concept of hell is shrouded in mystery We know what books and movies tell us hell is like but we re left with so many questions Is hell simply a place where sinners are sent to suffer for their sins or is it more than that How could a loving God send anyone to hell Does the Bible give us a clear and consistent picture of hell What does the existence of hell tell us about God s character Steve Gregg author of Revelation Four Views will take you on a tour of the three most popular views on hell and walk you through a clear explanation of what Scripture really says From the traditional view of hell as a place of eternal torment to the early Christian view that hell is a place of suffering intended to purge sin and to bring about repentance no other book gives such in depth biblical insight into the truths about hell that are hidden in all the hype All You Want to Know About Hell is an accessible and interesting read for laypeople pastors and scholars alike

All Things New Peter Hiatt, 2019-09-18 In several places Scripture testifies to the idea that there is a reality in which everything is very good Gen 1 31 a reality in which all things are made new Rev 21 5 where every creature in heaven and on earth and under the earth and in the sea and all that is in them praises God and the Lamb that was slain Rev 5 13 a place where Jesus the Light fills all things Eph 4 10 and every knee bows and every tongue gives praise Rom 14 11 Phil 2 10 11 Isa 45 23 Well if that s the case and Jesus said Scripture cannot be broken John 10 35 then where the hell is Hell I mean how do we reconcile Scripture with popular notions of Hell an endless Hell That question comes as a surprise for many for we ve been told that the popular view of Hell a place where God tortures people or allows people to be tortured forever without end is a biblical idea The more I ve studied it the more I ve become convinced that this doctrine is a very unbiblical idea perhaps it s even a satanic idea In the following pages I d like to just offer some assistance in constructing this new mental paradigm a biblical paradigm that allows for an eternal day in which everything is good In the first section Exegetical Paradigms I ll examine the three leading views of Hell in light of Scripture and offer a set of ideas that has led me to embrace the idea of redemption for all In the next section Theology I ll suggest a few ways in which the idea of redemption for all may relate to one s current theological system In the last section Pastoral Care I ll suggest some reasons as to why I think all of this matters Peter Hiatt

Why Hell? Steve Gregg, 2024-06-04

Most people believe that hell is the final state of the condemned following the final judgment At the same time many people cannot comprehend why God created hell for the unsaved Respected church fathers held a variety of views dating back to the early centuries of the church This book explains views on why hell exists unending suffering the annihilation of the unrepentant and the rehabilitation of the lost Most Christians are unaware of the scriptural basis for each of these positions Why Hell is meant to educate the interested reader without advocating for any one point of view The following are some of the book's features Biblical vocabulary of hell and positions held throughout early Christian history Positive cases presented on three perspectives traditionalist conditionalist and restorationist Critiques of each view Helpful charts at the back of the

book that summarize and cross examine the arguments for each view Steve Gregg provides food for thought for both trained theologians and serious Christian readers who want all the data and then consider for themselves the consequences of three Christian perspectives on hell

Scripture Views of Heaven: Meditations on John Xiv. 2 George Maunders, 1873

The Kingdom of God John Fuellenbach, 2006-04-01 The fruit of many decades of study and teaching The Kingdom of God provides an impressive systematic treatment of the doctrine of the Kingdom of God It is a comprehensive review of this crucial symbol as well as a careful analysis of its meaning and a creative interpretation of the Kingdom motif for the church and Christians in our age The Kingdom of God begins by analyzing the background of this idea in Hebrew scripture and tradition and in the preaching of Jesus Fuellenbach explores how this elusive phrase presents a specific comprehensive view of reality and a goal for transforming the world In Fuellenbach s reading the Kingdom forms the core of Christian faith and the reference point of all theology spirituality and apostolic activity Fuellenbach pays special attention to the relationships among Kingdom Church and World arguing that with the Kingdom Jesus proclaimed a vision that embraces God humankind and the whole of creation in the single most comprehensive vision of reality imaginable The Kingdom of God is balanced and nuanced in its scholarship but also vigorous and courageous in taking positions sure to provoke debate For example Fuellenbach argues that the word Kingdom is to be preferred over the word Reign despite critiques that find the word problematic in its patriarchal connotations Designed for and tested in classrooms worldwide The Kingdom of God will be particularly useful in both scripture and theology courses It holds much food for thought for religious educators pastoral workers clergy and others who wish for a clear systematic understanding of Jesus vision of the Kingdom now and to come

We Got Hell WRONG 95 Verses, 2022-10-02 TAKE A SECOND GLANCE AT THE SECOND DEATH God s word reveals how and why We Got Hell WRONG and points us back in the RIGHT direction Many of

us assume that biblical doctrines have been served to our churches on silver platters Neither Scripture nor History assures us that such is the case Instead we are encouraged to test all things 1 Thessalonians 5:21 This guide presents extensive biblical evidence for truths that have been tragically overlooked Will you take another look at the Scriptures to hear God's voice above all others Here are 5 reasons to read this book 1 It's mostly Scripture Being mostly comprised of Scripture this book provides a space to hear God's voice above all others Here God's word is the main event This could transform your life understanding of the Gospel and walk with God for good 2 You're encouraged to See For Yourself Included in this book is an optional activity whereby you may discover the truth about hell for yourself With just a Bible and a pen the See For Yourself section encourages you to use discernment and come to your own conclusion No external influence Just you and God 3 Three Bible versions are included The ESV KJV and NRSV are much admired literal translations of God's word These have been selected for their faithfulness to the original Hebrew and Greek manuscripts As we explore big subjects such as the nature of human life immortality and hell it is essential that we hear what God has spoken above any human interpretation 4 Biblical keywords and phrases are highlighted in bold Your time is precious With so much to see in God's word bold text will help you to focus on relevant keywords and phrases This gives you greater freedom to go through this guide at your own pace 5 It isn't one-sided We will take an in-depth look at various counterclaims at the end of each chapter This will allow us to be as balanced and thorough as possible Contents Intro A brief introduction to the subject we will explore together See For Yourself An activity encouraging you to discover the truth without external influence Chapter 1 HUMANS A look at the nature of human beings and the soul according to Scripture and what this means for the nature of hell Chapter 2 IMMORTALITY A look at what the Bible says about mortality and immortality This is also foundational to understanding the biblical revelation of hell Chapter 3 HELL A look at the descriptions of the lake of fire with evidence that the final judgment is not what many of us have assumed How We Got Hell WRONG A short and sweet overview of the historical reason for our misunderstanding of the Bible in this area Outro A final challenge and encouragement for readers May God direct your hearts and minds to His truth as you consider His words afresh Studies in the Scriptures, Series IV Charles Taze Russell, 1897 **Why Did God Do That?** Matthew Tingblad, 2023-09-12 If God is good then why did he do that Violent wars harsh laws pronounced judgments Christianity proclaims God's goodness yet the Bible is filled with passages that seem to paint a different picture On the surface such depictions can hinder our confidence in God's goodness But when we're willing to look deeper we discover a consistent purpose behind everything God does and that he is greater than we could ever imagine Alongside bestselling author Josh McDowell Matthew Tingblad invites you to discover how a good God has good reasons for his challenging actions in the Bible Throughout you will uncover the reality of God's consistent motives and purposes holiness justice and radical mercy Whether you have your own questions about God or are ministering to those who do Matthew and Josh will guide you through these difficult passages and ideas all the while pointing to God's power and

redeeming love Find confidence and joy in discovering that God is good always good even in the passages of Scripture that appear to convey otherwise **Studies in the Scriptures** Charles Taze Russell,1914 **Image, Incarnation, and Christian Expansivism** Mark S. McLeod-Harrison,2017-04-17 I am the way the truth and the life says Jesus Yet the kingdom of heaven consists of all tribes races and peoples How do people of tribes who ve never heard the word of Christ enter the kingdom of God A strictly exclusivist account of the gospel seems to keep many people out of the kingdom of heaven An inclusivist approach is more consonant with Scripture and the love of God Yet standard models of inclusivism are problematic In this book McLeod Harrison a Christian philosopher considers what s wrong with both narrow exclusivist and narrow inclusivist accounts of the gospel and proposes a broad inclusivism called expansivism An expansive account of the gospel helps us understand the uniqueness and the openness of the gospel together Narrow exclusivism can lead to existential crises Narrow inclusivism appears to make not preaching the gospel better for those who ve never heard it Expansivism makes human access to the gospel unique to the individual person and enables Christian theologians to provide lots of different potentially conflicting and yet true accounts of the theological underpinnings of the salvation provided by Christ
