DEGREE OF GUILT · RICHARD NORTH PATTERSON

Of R. J. White's last novel, *The Women of Froesehill*, reviewers said:

"A very convincing psychological thriller told with a nice feeling for the period."
San Francisco Examiner & Chronicle

"There is a wonderful period flavor to this English mystery based on a real life murder that took place in a remote Suffolk village in 1902. Based on one of the story lines in the fascinating recollections of what that author once believed to be 'the women of Froesehill' and their lives as well as it should be compared that might have come from a British pen. This is an interesting psychologically as it is exciting."
Pittsburgh Weekly

"The treatment of suspense and intricate historical background even goes so far as to reconstruct the life of letters."
Lexington (Mo.) Daily Post

"White is the master of good English style, showing that modern suspense could have a few things about it from these old-fashioned times."
South Bend (Ind.) Tribune

"Mr. White writes with the usual skill of the British suspense writer, and his books with suspense and quality going on that few American authors can do."
Seattle (Wash.) News Globe

"An excellent suspenseful novel."
San Rafael (Cal.) Independent Journal
