About The Bible Short Answers To Big Questions:

About the Bible Terence E. Fretheim, 2009 In *About the Bible* Fretheim offers straightforward answers to reoccurring questions about how the Bible was written organized and interpreted and why people have such different opinions about what the Bible has to say Fretheim goes beyond and discusses the role of prophets in the Bible connections between the Old and New Testaments the way the Bible uses metaphors and poetry and faith driven questions about the suffering and violence that appear in biblical texts *Short Answers to Big Questions about God, the Bible, and Christianity* Clinton E. Arnold, 2015

What Kind of God? Terence E. Fretheim, 2015-04-10 Terence E. Fretheim has long been a leading voice in Old Testament theology In this volume thirty of his classic studies have been gathered together for the first time under the rubrics God and the World God and Suffering God Wrath and Divine Violence God and the Pentateuch God and the Prophets and God and the Church's Book Here readers can find a compelling answer to the question that has motivated Fretheim's work for more than forty years namely what kind of God is the God of Scripture The studies are introduced by a critical overview of Fretheim's career and theology by the editors and a retrospective by Fretheim himself *This Strange and Sacred Scripture* Matthew Richard Schlimm, 2015-02-10 The Old Testament can seem strange and disturbing to contemporary readers What should Christians make of Genesis 1:3 seemingly at odds with modern scientific accounts Why does the Old Testament contain so much violence How should Christians handle texts that give women a second class status Does the Old Testament contradict itself Why are so many Psalms filled with anger and sorrow What should we make of texts that portray God as filled with wrath Combining pastoral insight biblical scholarship and a healthy dose of humility gifted teacher and communicator Matthew Schlimm explores perennial theological questions raised by the Old Testament He provides strategies for reading and appropriating these sacred texts showing how the Old Testament can shape the lives of Christians today and helping them appreciate the Old Testament as a friend in faith The Uncontrolling Love of God Thomas Jay Oord, 2015-11-09 Rarely does a new theological position emerge to account well for life in the world including not only goodness and beauty but also tragedy and randomness Drawing from Scripture science philosophy and various theological traditions Thomas Jay Oord offers a novel theology of providence essential kenosis that emphasizes God's inherently noncoercive love in relation to creation *Salvation from the Lake of Fire* Elisabeth Christine Nelson, 2021-08-24 *Salvation from the Lake of Fire* The Beauty of John 3:16 offers an enlightening exploration of eternal salvation Christian salvation and the theology of salvation within the context of life after death in Christianity With a style deeply rooted in Christian theology and spiritual education this book is a beacon of hope and understanding for individuals aged 18 and older who seek clarity on the profound questions about the afterlife In a world where uncertainty about the soul's eternal destiny prevails *Salvation from the Lake of Fire* serves as a guiding light It bridges the gap between the concept of eternal salvation and the foreboding imagery of the lake of fire making it accessible and relatable to readers from all walks of life This book's primary mission is to extend a hand of

love and grace to those who may not fully comprehend God's boundless love for humanity. It serves as an introduction to salvation, inviting both unbelievers and questioning Christians to embark on a journey of spiritual discovery. Within its pages, you'll find a comprehensive exploration of the theology of salvation, illuminating the profound significance of John 3:16. This timeless verse reveals God's sacrificial love in sending His Son, Jesus Christ, to secure eternal salvation for humanity. It underscores the pivotal role of faith in Jesus as the pathway to redemption from the ominous lake of fire. This book stands alongside other spiritually enriching titles like *40 Questions About Heaven and Hell* by Alan W. Gomes, *Four Views On Hell* (Second Edition With New Contributors) by Preston Sprinkel, *The Case for Christ* by Lee Strobel, and *Captured by Grace* by David Jeremiah. If you have been searching for books on eternal life or have contemplated the theology of salvation, *Salvation from the Lake of Fire* is a must-read. As you delve into this profound exploration, you'll come to appreciate the timeless truths within John 3:16 and the assurance it offers. In a world filled with uncertainty, this book sheds light on the promise of eternal salvation, guiding you away from the fearsome lake of fire and toward the warm embrace of God's love. It's a transformative journey, an introduction to salvation, and an invitation to experience the profound beauty of John 3:16. **Bonhoeffer**

Terence E. Fretheim weaves key insights from Scripture with theological reflections on the nature and activity of God. God's relationship to the world and the natural order. Relational language and images fill the various forms of communication that ministry leaders must use to speak about God and God's presence and activity in the world. Fretheim shows the importance of using this kind of language to speak to the realities of life and faith.
