**Abraham Lincoln**, the name in itself speaks volumes. He is considered the greatest president of the United States of America. Historians and **Political Scientists** consistently rank him as the best American president ever. Above all, the man is renowned for ending slavery in his country. This certainly created a world-wide awareness against the evil of slavery. In the realm of social reform, he is holding a lofty status.

### Historical Reputation

Many surveys of the Presidents of the United States have taken place. Many scholars and experts of the United States took part in such surveys. Most noteworthy, Lincoln is always ranked in the top 3 in such surveys. Furthermore, there has been an organization of Presidential ranking polls since 1948. Abraham Lincoln certainly has the top rating in most of such polls.

Probably the most famous survey was by Chicago Tribune in 1982. There was a participation of 49 Historians and Political Scientists in that survey. These experts were to rate all the United States Presidents in five categories. The categories were: **leadership**, crisis management, **political skills**, appointments, and character/integrity. As was probably the prediction of most people, Lincoln got top place. Most noteworthy, Lincoln got top place in all the categories. This shows his magnificent historical reputation.

Many social reformers view him as a champion of liberty. He has the description of a classic liberal by historians. He is a role model to liberal intellectuals and human rights organizations. Some of his avid supporters even compare his life to Jesus Christ.
