Abraham Lincolns Political Faith

Joshua Zeitz

Abraham Lincoln's Political Faith:

Abraham Lincoln's Political Faith Joseph R. Fornieri, 2005 At Gettysburg Lincoln resolved that this nation under God would not perish and in his Second Inaugural he called for firmness in the right as God gives us to see the right How are we to understand these and other invocations of divine authority in the speeches and writings of America's most admired president Exploring Lincoln's unique blending of religion and politics Fornieri shows that Lincoln presented a comprehensive and compelling interpretation of political order founded upon American democratic and religious traditions Proslavery theologians based their claims to legitimacy on Scripture but Lincoln denounced this position as incompatible with true religion reason and republicanism He envisioned instead a united nation that would honor both God and American political principles Fornieri casts Lincoln's unique combination of politics and piety as biblical republicanism a merging of Judeo-Christian beliefs and the founders tradition of self government In a time of unprecedented crisis and upheaval biblical republicanism provided Lincoln with a moral justification for difficult political choices Fornieri demonstrates the sincerity of Lincoln's belief and reveals the remarkable consistency between his public and private religious views Though Lincoln's faith deepened during the turbulent war years and after the death of his son Willie his articulation of this faith remained consistent throughout much of his life Convinced that religion was a crucial aspect of life Lincoln maintained that his own faith guided and shaped his political thought In contrast to scholars who have emphasized the Lyceum Address as the key to understanding Lincoln's religion and politics Fornieri brings forth the Peoria Address of 1854 as a more profound and mature reflection of Lincoln's political faith At Peoria Lincoln invoked the Declaration of Independence as the nation's moral covenant characterizing the struggle over extending slavery as a clash between rival political faiths He emphasized that the Union was worthy of preservation in light of the Declaration's principles of liberty and equality and that these principles were best secured under the auspices of national Union committed to the Constitution Abraham Lincoln's Political Faith sheds new light on how the Great Emancipator's personal trust in a living God shaped his vision for a new America Essays on Lincoln's Faith and Politics Kenneth W. Thompson, 1983 **Abraham Lincoln, Philosopher Statesman** Joseph R. Fornieri, 2014-06-04 2015 ISHS Superior Achievement Award What constitutes Lincoln's political greatness as a statesman As a great leader he saved the Union presided over the end of slavery and helped to pave the way for an interracial democracy His great speeches provide enduring wisdom about human equality democracy free labor and free society Joseph R. Fornieri contends that Lincoln's political genius is best understood in terms of a philosophical statesmanship that united greatness of thought and action one that combined theory and practice This philosophical statesmanship Fornieri argues can best be understood in terms of six dimensions of political leadership wisdom prudence duty magnanimity rhetoric and patriotism Drawing on insights from history politics and philosophy Fornieri tackles the question of how Lincoln's statesmanship displayed each of these crucial elements Providing an accessible framework for understanding Lincoln's

statesmanship this thoughtful study examines the sixteenth president's political leadership in terms of the traditional moral vision of statecraft as understood by epic political philosophers such as Aristotle and St Thomas Aquinas Fornieri contends that Lincoln's character is best understood in terms of Aquinas's understanding of magnanimity or greatness of soul the crowning virtue of statesmanship True political greatness as embodied by Lincoln involves both humility and sacrificial service for the common good The enduring wisdom and timeless teachings of these great thinkers Fornieri shows can lead to a deeper appreciation of statesmanship and of its embodiment in Abraham Lincoln With the great philosophers and books of western civilization as his guide Fornieri demonstrates the important contribution of normative political philosophy to an understanding of our sixteenth president Informed by political theory that draws on the classics in revealing the timelessness of Lincoln's example his interdisciplinary study offers profound insights for anyone interested in the nature of leadership statesmanship political philosophy political ethics political history and constitutional law

[The Inspired Wisdom of Abraham Lincoln](#) Philip L. Ostergard, 2011-09-23 Not long after Lincoln's assassination the debate began Was Lincoln a committed Christian or a confirmed skeptic Scholar Philip Ostergard provides the answer with a thorough study of the president's references to God the Bible and Christian principles in his letters and speeches The Inspired Wisdom of Abraham Lincoln illustrates the depth of Lincoln's knowledge of Scripture the Bible's influence on his character and the development of his faith particularly as he wrestled with the issue of slavery and led the nation through the tumultuous years of the Civil War Readers will find this a fascinating and inspiring handbook of answers to the questions about one of our greatest presidents

Abraham Lincoln and the Bible Gordon Leidner, 2023-04-17 Leidner presents an in depth review of Lincoln's faith and reliance on scripture by reviewing every occurrence in which he quoted or alluded to the Bible in the Collected Works of Abraham Lincoln The book informs readers how Lincoln used the Bible what Lincoln's opinions were about the Bible and God and how the Bible informed his transformational leadership skills

The Faith of Abraham Lincoln William Harrison Lambert, Abraham Lincoln, 2015-11-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Lincoln's Sacred Effort Lucas E. Morel, 2000-01-01 Lucas Morel examines what the public life of

Abraham Lincoln teaches about the role of religion in a self governing society Lincoln s understanding of the requirements of republican government led him to accommodate and direct religious sentiment toward responsible self government As a successful republic requires a moral or self controlled people Lincoln believed the moral and religious sensibilities of a society should be nurtured

Lincoln's American Dream Kenneth L. Deutsch,2012 Despite the voluminous literature on the central figure in American history no other book in the field of political science compares to Lincoln s American Dream It addresses comprehensively the overarching themes of Lincoln s political thought and leadership through provocative and divergent interpretations from leading scholars Each chapter is devoted to one of these major themes about Lincoln The Declaration and equality Political ambition Race and slavery His democratic political leadership Executive power Religion and politics The Union and the role of the state The book s thirty three contributors include such respected Lincoln scholars and political commentators as Harry V Jaffa Stephen B Oates Mark E Neely Richard C Current Herman Belz and Frank J Williams With an introduction by Kenneth L Deutsch and Joseph R Fornieri Lincoln s American Dream will be of enduring interest to scholars students teachers and Lincoln aficionados alike and will attract interest in the fields of American history leadership religion and culture American studies and African American studies

The Language of Liberty Joseph R. Fornieri,2008-12-16 Presents the speeches letters and other writings of Abraham Lincoln from his early career in the Illinois legislature to the Lincoln Douglas debates and his correspondence during his presidency

Abraham Lincoln George Frederick Owen,1981 Lincoln s own words and the accounts of those who knew him weave an unforgettable narrative of the life and faith of this often quoted American whose influence has endured for years

Lincoln Revisited Harold Holzer,Dawn Vogel,2009-08-25 In February 2009 America celebrates the bicentennial of the birth of Abraham Lincoln and the pace of new Lincoln books and articles has already quickened From his cabinet s politics to his own struggles with depression Lincoln remains the most written about story in our history And each year historians find something new and important to say about the greatest of our Presidents Lincoln Revisited is a masterly guidePub to what s new and what s noteworthy in this unfolding story a brilliant gathering of fresh scholarship by the leading Lincoln historians of our time Brought together by The Lincoln Forum they tackle uncharted territory and emerging questions they also take a new look at established debates including those about their own landmark works Here these well known historians revisit key chapters in Lincoln s legacy from Matthew Pinsker on Lincoln s private life and Jean Baker on religion and the Lincoln marriage to Geoffrey Perret on Lincoln as leader and Frank J Williams on Lincoln and civil liberties in wartime The eighteen original essays explore every corner of Lincoln s world religion and politics slavery and sovereignty presidential leadership and the rule of law the Second Inaugural Address and the assassination In his 1947 classic Lincoln Reconsidered David Herbert Donald confronted the Lincoln myth Today the scholars in Lincoln Revisited give a new generation of students scholars and citizens the perspectives vital for understanding the constantly reinterpreted genius of Abraham Lincoln

Abraham Lincoln's Gettysburg Address

Katharina E. Thomas, 2011-06 Seminar paper from the year 2009 in the subject Rhetoric Elocution Oratory grade 1 3 The University of North Carolina at Chapel Hill course Allgemeine Rhetorik language English abstract Abraham Lincoln's Gettysburg Address has played a powerful role in shaping American public discourse over the centuries. It has become one of the central documents in the evolution of American civil religion imbued with religious and biblical language and imagery backed by the ethos of its orator. Its rhetoric sanctifies the founding documents and itself becomes part of the canon of holy writ of American civil religion. This is all the more remarkable considering the fact that Lincoln was originally only supposed to deliver a few appropriate remarks at the dedication of the Gettysburg battlefield as a cemetery for the fallen soldiers. The main speaker Edward Everett had already given a long speech when Lincoln's turn came. The situation which thus presented itself to the orator posed a considerable challenge as the audience was already weary. It is therefore all the more fascinating to see how Lincoln succeeded in his short dense speech which did not even give the photographer sufficient time to take his picture in molding American identity by fusing organic union with transcendent purpose by utilizing the religious symbolism of the Christian tradition. White 97 This paper will examine how the Gettysburg Address came to be one of the central documents of American civil religion which had a significant influence on all future public discourse. First it will provide a brief discussion of Abraham Lincoln as an orator. This aspect is important insofar as it is necessary to determine what role his personal ethos played in the Gettysburg Address. The main part will offer a close reading of the Gettysburg Address focusing on an in-depth analysis of the rhetorical strategies and stylistic devices Lincoln employs. This part is concerned especially with the question **Lincoln's God**. Joshua Zeitz, 2023-05-16 Lincoln's spiritual journey from spiritual skeptic to America's first evangelical Christian president—believer, a conversion that changed both the Civil War and the practice of religion itself. Abraham Lincoln, unlike most of his political brethren, kept organized Christianity at arm's length. He never joined a church and only sometimes attended Sunday services with his wife. But as he came to appreciate the growing political and military importance of the Christian community and when death touched the Lincoln household in an awful intimate way, the erstwhile skeptic effectively evolved into a believer and harnessed the power of evangelical Protestantism to rally the nation to arms. The war, he told Americans, was divine retribution for the sin of slavery. This is the story of that transformation and the ways in which religion helped millions of Northerners interpret the carnage and political upheaval of the 1850s and 1860s. Rather than focus on battles and personalities, Joshua Zeitz probes ways in which war and spiritual convictions became intertwined. Characters include the famous Harriet Beecher Stowe, Frederick Douglass, Henry Ward Beecher, as well as ordinary soldiers and their families whose evolving understanding of mortality, heaven, and mission motivated them to fight. Long underestimated in accounts of the Civil War, religion, specifically evangelical Christianity, played an instrumental role on the battlefield and home front and in the corridors of government. More than any president before him or any president after until George W. Bush, Lincoln harnessed popular religious enthusiasm to build broad-based support for a political party and a

cause A master politician who was sincere about his religion Lincoln held beliefs that were unconventional and widely misunderstood then as now After his death and the end of an unforgiving war Americans needed to memorialize Lincoln as a Christian martyr The truth was of course considerably more complicated as this original book explores [The Life of Abraham Lincoln](#) William E. Barton,1925 **Abraham Lincoln, 1809-1858** Albert Jeremiah Beveridge,1928 [The Political Lincoln](#) Paul Finkelman,Martin J. Hershock,2009 Expansive coverage of the life politics and legacy of one of the United States most influential presidents [Abraham Lincoln's Cardinal Traits](#) Clark Smith Beardslee,1914 *Lincoln's Political Ambitions, Slavery, and the Bible* Edwin D. Freed,2012-07-01 Abraham Lincoln did not take his family Bible to the White House And the reason he did not use the Bible in his first inaugural address was not because it failed to arrive in his baggage Freed concentrates on what Abraham Lincoln himself says instead of what others say about him which yields insights into understanding Lincoln s speech before the Young Men s Lyceum his reply to the Loyal Colored People of Baltimore and his Second Inaugural Address The author shows that much of what has been written about Lincoln s knowledge of the Bible and its influence on his thought is myth Although his language was replete with vocabulary from the Bible Lincoln s knowledge of it was superficial and he did not use the Bible to promote religion He was always a politician but with a moral sensitivity With the Declaration of Independence and the US Constitution he used the Bible to help him achieve his political ambitions and to support the emancipation of slaves A unique book on a subject never treated so thoroughly this is a must read for all Lincoln admirers **Lincoln and the Politics of Christian Love** Grant N. Havers,2009-11-13 America has seen faith based initiatives and the audacity of hope in twenty first century politics but few participants in our political scene have invoked the other Christian virtue of charity as a guiding principle Abraham Lincoln extolled the merit of loving thy neighbor as thyself especially as a critique of the hypocrisy of slavery but a discussion of Christian love is noticeably absent from today s debates about religion and democracy In this provocative book Grant Havers argues that charity is a central tenet of what Lincoln once called America s political religion He explores the implications of making Christian love the highest moral standard for American democracy showing how Lincoln s legacy demands that a true democracy be charitable toward all and that only a people who lived according to such ideals could succeed in building democracy as Lincoln understood it Havers argues that it is simplistic to conflate Lincoln s invocation of with charity for all with his abiding support for the ideal of human equality The ethic of charity in his view also brought a uniquely Christian realism to the universalism of democracy He also describes how since World War I intellectuals and political leaders have denied that there exists a necessary relation between democracy and Christian love proposing that democracy is sufficiently ethical without reliance on a specific religious tradition Today s neoconservatives and liberals instead posit a universal yearning for democracy that requires no foundation in the ethic of charity Havers shows that this democratic universalism espoused by those who believe a chosen people should uphold the natural rights of humanity is alien to the sober thought of

both the founders and Lincoln This carefully argued work defends Lincoln s understanding of charity as essential to democracy while emphasizing the difficulty of fusing this ethic with the desire to spread democracy to people who do not share America s Christian heritage In considering the prospect of America s leaders rediscovering a moral foreign policy based on charity rather than the costly idolization of democracy Lincoln and the Politics of Christian Love makes a timely contribution to the wider debate over both the meaning of religion in American politics and the mission of America in the world and opens a new window on Lincoln s lasting legacy *Lincoln and the Politics of Christian Love* Grant N. Havers,2009-11-13 Havers argues that it is simplistic to conflate Lincoln s invocation of with charity for all with his abiding support for the ideal of human equality The ethic of charity in his view also brought a uniquely Christian realism to the universalism of democracy He also describes how since World War I intellectuals and political leaders have denied that there exists a necessary relation between democracy and Christian love proposing that democracy is sufficiently ethical without reliance on a specific religious tradition Today s neoconservatives and liberals instead posit a universal yearning for democracy that requires no foundation in the ethic of charity Havers shows that this democratic universalism espoused by those who believe a chosen people should uphold the natural rights of humanity is alien to the sober thought of both the founders and Lincoln
