Deadly Prey:

'80s Action Movies on the Cheap Daniel R. Budnik, 2017-03-21 The 1980s was the decade when the action film as it is now known came into being. Nonstop big budget excitement became the standard as epic adventures like *Raiders of the Lost Ark* and *The Road Warrior* set the tone for the summer blockbusters of Sylvester Stallone, Arnold Schwarzenegger, and Chuck Norris. Homages and ripoffs made with lesser budgets followed every hit, especially with the advent of direct-to-video releases. Providing detailed commentary on 284 films, this book explores the excitement, audacity, and sheer weirdness of 80s low budget action cinema, from the American Ninja series to dime-a-dozen barbarian pictures to such bargain basement productions as *The Courier of Death*, *Kill Squad*, and *Samurai Cop*. *The Whaler's Forge* Christine Echeverria Bender, 2009-06-01 Distributed by the University of Nebraska Press for Caxton Press. Over a century before Columbus will venture across the Atlantic Ocean, a storm-battered Basque whaling galleon drops anchor off the eastern coast in North America. In this savage new land, harpooner Kepa de Mendieta becomes the victim of a terrible accident and is left behind. With winter approaching, Kepa struggles against the brutal forces of nature in a fight for survival as well as redemption.

The Psychotronic Video Guide To Film Michael Weldon, 1996 The bible of B movies is back and better than ever. From *Abby Cadabby* to *Zontar*, this book covers more than 9,000 amazing movies from the turn of the century right up to today's Golden Age of Video, all described with Michael Weldon's dry wit. More than 450 rare and wonderful illustrations round out this treasure trove of cinematic lore, an essential reference for every bad film fan. **The Most Dangerous Cinema** Bryan Senn, 2013-11-12 People hunting people for sport, an idea both shocking and fascinating. In 1924, Richard Connell published a short story that introduced this concept to the world, where it has remained ever since, as evidenced by the many big and small screen adaptations and inspirations. Since its publication, Connell's award-winning *The Most Dangerous Game* has been continuously anthologized and studied in classrooms throughout America, raising questions about the nature of violence and cruelty and the ethics of hunting for sport. The thrilling story spawned a new cinematic subgenre, beginning with RKO's 1932 production of *The Most Dangerous Game* and continuing right up to today. This book examines in depth all the cinematic adaptations of the iconic short story. Each film chapter has a synopsis, a "How Dangerous Is It?" critique, an overall analysis, a production history, and credits. Five additional chapters address direct-to-video, television, game shows, and almost dangerous productions. Photographs, extensive notes, bibliography, and index are included. **The Films of the Eighties** Robert A. Nowlan, 1991-01-01 The 1980s had more than its share of both emerging stars and final tributes paid to luminaries, as well as smash hits and bombs, memorable and boring performances, and new trends and tried-and-true formula offerings. *The Film of the Eighties* includes numerous examples of all of these. Each entry has the year of release, production company, country of origin (U.S., U.K., Australian, Canadian), leading performers, and the characters they portrayed, and comprehensive credits. A brief description, review, and evaluation of the film's cinematic values, if any, are also provided. *Dangerous Girls #2: The Taste of*

Night R.L. Stine,2009-04-14 Destiny Weller and her twin sister Livvy were as close as two sisters could be until Livvy chose to become a vampire leaving Destiny behind Now Destiny will do anything to bring Livvy back to the family But in Livvy's world of endless darkness she knows there is only one way she and Destiny can be reunited Destiny must become a vampire too Which sister will live to see the glow of the next full moon Whose lips will savor the taste of night Who will survive Ages 12
