

## Common household rules

Some rules are common in many households. Rules about cleaning your room and putting away your toys probably sound familiar to you. These rules keep your home neat. Bedtime rules are common, too. Going to bed at the same time each night helps you wake up feeling good. Another rule that is important is to know your phone number and home address by memory. Knowing your phone number and address can be very helpful in an **emergency**.

The girl's family has a rule about making the beds each morning. Maybe your family does, too.
