Dean Martin:

American Legends Charles River Charles River Editors, 2013-09-13 Includes pictures Includes some of Martin's most colorful quotes Includes a Bibliography for further reading If people want to think I get drunk and stay out all night let em That's how I got here you know Dean Martin A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known Like Frank Sinatra Dean Martin is an American legend for his longevity and success across a garden variety of different platforms Martin began as a nightclub singer performed in a comedy act starred in films recorded hit albums and capped his career by serving as a television host In fact there may be no star who was better able to transcend the different avenues of entertainment Martin's success was made all the more amazing by the fact that he never had to change his personality or persona to find success in his different endeavors From the beginning Martin's public persona remained largely unchanged He grew more famous and wealthy but he always remained the smooth talking Italian with the easy charm and the cool veneer As Jerry Lewis noted in his memoirs about Martin Dean had this uncanny way of making everything bad look like it wasn't all that bad If anything Martin suggested that no matter the circumstances people can always face their situation with leisurely charm Martin's versatility is unprecedented even today an era in which stars routinely alternate between film and musical careers Martin was able to simultaneously work across different media at the same time even after rising to fame as a singer he continued to perform with Jerry Lewis and star in films But after his film career took off he continued to perform the crooning style of music that had made him famous and had long since been outdated While other actors were forced to drastically alter their persona to keep up with the times Martin's ability to fuse suave glamour with an everyday ordinariness ensured he didn't need to transform anything Martin's life and career are often compared to his close friend and contemporary Frank Sinatra and for good reason Both came from proud Italian families both were cohorts in the famed Rat Pack in the 1960s and they each maintained success even late in their careers However Sinatra's career was filled with far more ups and downs than Martin and his public image experienced highs and lows along with it It's also somewhat ironic that it was Martin who Anglicized his name but remained a bigger Italian icon than Sinatra They each began their careers as Italian crooners but Martin maintained his style while Sinatra adopted a brasher more All American singing method Martin never strayed far from his humble background even as he became one of America's biggest stars American Legends The Life of Dean Martin profiles the life and career of one of America's most famous performers Along with pictures of important people places and events you will learn about Dean Martin like you never have before in no time at all **That's Amore** Ricci Martin, Christopher Smith, 2002 In this book Ricci Martin takes readers on a tour through his childhood from the star studded parties to the exploration of three marriages

Dean and Me Jerry Lewis,James Kaplan,2006-10-10 In a memoir by turns moving tragic and hilarious Jerry Lewis recounts with crystal clarity every step of his fifty year friendship with Dean Martin They were the unlikeliest of pairs a handsome crooner and a skinny monkey an Italian from Steubenville Ohio and a Jew from Newark N J Before they teamed up Dean Martin seemed destined for a mediocre career as a nightclub singer and Jerry Lewis was dressing up as Carmen Miranda and miming records on stage But the moment they got together something clicked something miraculous and audiences saw it at once Before long they were as big as Elvis or the Beatles would be after them creating hysteria wherever they went and grabbing an unprecedented hold over every entertainment outlet of the era radio television movies stage shows and nightclubs Martin and Lewis were a national craze an American institution The millions flowed in seemingly without end and then on July 24 1956 ten years after it all started it ended suddenly After that traumatic day the two wouldn t speak again for twenty years And while both went on to forge triumphant individual careers Martin as a movie and television star recording artist and nightclub luminary and charter member of the Rat Pack Lewis as the groundbreaking writer producer director and star of a series of hugely successful movie comedies their parting left a hole in the national psyche as well as in each man s heart In Dean Me Lewis makes a convincing case for Martin as one of the great and most underrated comic talents of our era But what comes across most powerfully in this definitive memoir is the depth of love Lewis felt for his partner and which his partner felt for him truly a love to last for all time
