Deanmania The Man The Character The Legend:

Deanmania Robert Headrick,1990 **Small-Town Dreams** John E. Miller,2014-03-28 We live these days in a virtual nation of cities and celebrities dreaming a small town America rendered ever stranger by purveyors of nostalgia and dark visionaries from Sherwood Anderson to David Lynch And yet it is the small town that world of local character and neighborhood lore that dreamed the America we know today and the small town boy like those whose stories this book tells who made it real In these life stories beginning in 1890 with frontier historian Frederick Jackson Turner and moving up to the present with global shopkeeper Sam Walton a history of middle America unfolds as entrepreneurs and teachers like Henry Ford George Washington Carver and Walt Disney artists and entertainers like Thomas Hart Benton Grant Wood Carl Sandburg and Johnny Carson political figures like William McKinley William Jennings Bryan and Ronald Reagan and athletes like Bob Feller and John Wooden by turns engender and illustrate the extraordinary cultural shifts that have transformed the Midwest and through the Midwest the nation and the world Many of these men are familiar icons even Ford and Reagan certainly Ernie Pyle Sinclair Lewis James Dean and Lawrence Welk and others like artists Oscar Micheaux and John Steuart Curry economist Alvin Hansen and composer Meredith Willson less so But in their stories as John E Miller tells them all appear in a new light unique in their backgrounds and accomplishments united only in the way their lives reveal the persisting shaping power of place and particularly the Midwest on the cultural imagination and national consciousness In a thoroughly engaging style Miller introduces us to the small town Midwestern boys who became these all American characters privileging us with insights that pierce the public images of politicians and businessmen thinkers and entertainers alike From the smell of the farm the sounds and silences of hamlets and county seats the schoolyard athletics and classroom instruction and theatrical performance we follow these men to their moments of inspiration innovation and fame observing the workings of the small town past in their very different relationships with the larger world Their stories reveal in an intimate way how profoundly childhood experiences shape personal identity and how deeply place figures in the mapping of thought belief ambition and life s course **The James Dean Story** Ronald Martinetti,1995 In this no punches pulled biography Martinetti brings James Dean alive with dazzling clarity His motivations loves ambitions and fears are all exposed The people in his life both those who loved and hated him speak out with candor and many never before known facts about the actor are revealed Photos **James Dean in Death** Warren Newton Beath,Paula Wheeldon,2005 James Dean s short life and three film career inspired countless actors and rebellious teenagers but his untimely death in a 1955 car crash has been an inspiration of a different kind The ensuing decades have seen a continuing fascination with Dean s life and have also fostered legions of devotees fascinated by his death With the expected death site pilgrims alternative theorists reports of Dean s ghost hitchhiking along that fated highway there are the odd the unbelievable and the downright wacky lingering love affairs with Dean s ghost visions of his disembodied head and of course reports that he s alive and well raising chickens and

drinking rum with buddies in South America The ongoing growing fascination folklore and legend surrounding the life and death of James Dean is testament that the cult of celebrity death is alive and well This encyclopedia of James Dean related subjects includes entries on such topics as associates locales books and ephemera associated with his life It focuses intensely on the events and people linked to his fatal crash and on the body of myth mystery and folklore surrounding Dean s tragic death **Paperbound Books in Print** ,1992 **Books in Print** ,1994 **Forthcoming Books** Rose Army,1991

Buddy Holly Ellis Amburn,1996 The tragic bittersweet story of the founder of rock n roll Buddy Holly presents the most revealing and enduring biography yet of one of America s greatest music heroes In illuminating the scope of Holly s influence that inspired musicians from Paul McCartney to Keith Richards this book shines Entertainment Weekly of photos **James Dean** Val Holley,1991
