

# *Prayer of Mother Teresa*

**DEAR JESUS**, help me to spread Thy fragrance everywhere I go. Flood my soul with Thy spirit and love. Penetrate and possess my whole being so utterly that all my life may only be a radiance of Thine. Shine through me and be so in me that every soul I come in contact with may feel Thy presence in my soul. Let them look up and see no longer me but only Jesus. Stay with me and then I shall begin to shine as you shine, so to shine as to be a light to others.

## **Dear Mother Teresa:**

Dear Mother Teresa Andy Andracki, 2005-04 A Book for Middle Grade Readers Tom the father of two young daughters is traveling back to the USA from Japan He refuses to sit next to a poorly dressed lady because she makes him uncomfortable Upon deplaning he finds out that he refused to sit with the saintly Mother Teresa His work keeps Tom separated from his family for several months The story is told in a series of letters exchanged between the father and his two young daughters After confessing to them that he shunned Mother Teresa he makes amends by studying her life He strives to become a better person In his letters the father continues to tell them about the good works of Mother Teresa At first the daughters pay little attention to this As they learn more about Mother Teresa it slowly changes their lives Finally it changes their lives more than they could ever imagine The father speaks with a genuine voice The daughters have the typical sibling rivalries with closeness at the same time The older sister displays her growing pains and sensibilities of a fifth grader along with the older sister role The younger sister shows exuberance and freedom of a spirit that is wholesome and alive This is a heart warming story The story is not preachy but carries a message of how working with the poor is rewarding **A Revolution of Love**

David Scott, 2009-04-09 In this Mother Teresa biography by David Scott we meet the Mother Teresa that we would never have met simply from television interviews or news images A complex figure Mother Teresa found her life's work only after years of false starts and by overcoming great practical difficulties Her love for the poor was accompanied by a stern critique of the rich and powerful And she lived much of her life in an anguished dark night of the soul Discover the real Mother Teresa in this inspiring yet unsentimental biography of her life My Dear Children Mother Teresa, 2002 Compelling candid photos of Mother Teresa accompanied by brief passages from letters to her co-workers and speeches A wonderful gift book

**Mother Teresa's Lessons of Love and Secrets of Sanctity** Susan Conroy, 2003-04-07 An inside view of Mother Teresa's heroic love at work A moving first hand account of Mother Teresa and her work written by someone who worked by her side As an idealistic young volunteer author Susan Conroy spent a summer serving in one of Mother Teresa's orphanages and in the Home for the Dying In a city where I found hell on earth she says I also found each day a deep sense of peace and incredible happiness It was an experience that changed her life forever She learned why Mother Teresa had found real joy in working with the poorest of the poor Along the way she took striking photographs that have never been seen before now photographs that show Mother Teresa at her everyday best This is an account you won't soon forget told with simple and loving directness by an eyewitness *Small Things With Great Love* Donna-Marie Cooper O'Boyle, 2019-01-22 What can we learn from the Saint of the Gutters How might her wisdom and intercession help us in our present needs After all Mother Teresa was very small in stature even frail in some respects and she was a woman the supposed weaker sex However this petite woman's yes to God truly changed the world forever She opened the world's eyes to our duties to feed the hungry and clothe the naked and told us that a far worse hunger exists in our Western world She continues to encourage us to reach out

in love to those in need Through this novena of prayer our faith is energized as we sit at St Teresa of Calcutta's feet to learn lessons of love and invoke her intercession for our urgent as well as our lesser needs big and small she will help *Dear Mother--* Marijke Woolsey, Susan King, 1994 Where There Is Love, There Is God Mother Teresa, 2010-08-10 Mother Teresa's relationship with God and her commitment to those she served the poorest of the poor is here powerfully explored in her own words Taken largely from her private lessons to her sisters published here for the first time Where There is Love There is God unveils her extraordinary faith in and surrender to God's will This book is in some way a sequel to Mother Teresa Come Be My Light in which her own very private spiritual struggles were explained Sent to alleviate the sufferings of the poor she assumed their struggles and pain in the depths of her heart This led to particularly intense anguish which she lived through with heroic courage and fidelity over several decades As important as this aspect of her life is that remarkable testimony of her life and her words intensifies the need and desire to know more of her thought There is much she can teach us as we face our daily struggles or sufferings which can at times be unusually severe Where There is Love There is God though not an exhaustive anthology of Mother Teresa's teaching nonetheless shows what she believed and taught about important issues that confront all people Due to her constant interaction with people of diverse backgrounds no life situation was foreign to her and in this book her role is primarily one of teacher and guide Love is perhaps the word that best summarizes Mother Teresa's life and message The title reflects what she proclaimed during her entire life God is alive present and still loves the world through you and through me Mother Teresa sought to be an extension of God's heart and hands in the world of today She was called to be a missionary of charity a carrier of God's love to each person she met especially those most in need Yet she did not think that this was a vocation uniquely hers each person is in some way called to be a carrier of God's love Through the practical and timely advice she offers Mother Teresa sets us on the path to closer union with God and greater love for our brothers and sisters MOTHER TERESA 1910 1997 was born in Skopje present day Macedonia and joined the Sisters of Loreto in Dublin in 1928 She left the Loreto order in 1948 to begin the Missionaries of Charity in Calcutta Her service to the poorest of the poor became her life's work She was awarded the Nobel Peace Prize in 1979 and was beatified in 2003 Editor of Mother Teresa Come Be My Light FATHER BRIAN KOLODIEJCHUK M C Ph D was associated with Mother Teresa for twenty years and is now director of the Mother Teresa Center which has offices in California Mexico India and Italy What you are doing I cannot do what I'm doing you cannot do but together we are doing something beautiful for God and this is the greatness of God's love for us To give us the opportunity to become holy through the works of love that we do because holiness is not the luxury of the few It is a very simple duty for you for me you in your position in your work and I and others each one of us in the work in the life that we have given our word of honor to God You must put your love for God in a living action Mother Teresa From Where There is Love There is God **No Greater Love, Commemorative Edition** Mother Teresa, 2016-07-15 One of the world's most recognized and beloved spiritual leaders
