## **Death In Cold Type:**

Preventing Sudden Death in Sport and Physical Activity Douglas J. Casa,2011-05-26      **So Long! Walt Whitman's Poetry of Death** Harold Aspiz,2004 Through a close reading of Leaves of Grass its constituent poems particularly Song of Myself and Whitman s prose and letters Aspiz charts how the poet s exuberant celebration of life is a consequence of his central concern the ever presence of death and the prospect of an afterlife      *Death and Redemption in London & L.A.* Lionel Rolfe,2003 Devastated that his wife and writing partner of 25 years left him on the eve of the new millennium Lionel Rolfe set pen to paper in an attempt to make sense of the dance between men and women But as he began writing a deeper understanding took hold the Grim Reaper stopped by And not just once but again and again The deaths of Carl Kessler the unrepentant Stalinist and trade union organizer and Nieson Himmel a close friend and veteran nighttime police reporter for the Los Angeles Times hit him hard But it was the death of Rolfe s uncle the great violinist Yehudi Menuhin that turned his life upside down In the end the emotional ordeal was a blessing in disguise After all without it the world would not have DEATH AND REDEMPTION IN LONDON a man wholl change your worldview forever      **Destruction of the Temple of Death - Rescue in Space** George King,2014-03-27 1 A description of one particular sortie by the Adepts into the lower astral realms to transmute a renowned center of evil 2 A daring rescue of one of the Adepts who had become marooned in space during an encounter with alien intelligences who had established a base on our moon      Victorian Types, Victorian Shadows (Routledge Revivals) George P. Landow,2014-07-11 The importance of typology in the study of early modern literature has long been accepted yet students of Victorian culture have paid little attention to it First published in 1980 this study demonstrates how biblical typology an apparently arcane interpretative mode had profound effects on the secular culture of the Victorian age its art literature and thought George Landow considers the way in which the average English believer learned to read their Bible in terms of the types and shadows of Christ the various ways in which Victorian poetry and hymns employed certain imagery and the use of typological symbolism in narrative poetry prose fiction dramatic monologue and non fiction In a concluding chapter he investigates the particularly complex and often ironic combinations of typological image and typological structure      **The Disquieting Death of Emma Gill** Marcia Biederman,2024-01-23 The narrative unfolds like a high stakes crime novel Kirkus Reviews In 1898 a group of schoolboys in Bridgeport Connecticut discovered gruesome packages under a bridge holding the dismembered remains of a young woman Finding that the dead woman had just undergone an abortion prosecutors raced to establish her identity and fix blame for her death Suspicion fell on Nancy Guilford half of a married pair of doctors well known to police throughout New England A fascinated public followed the suspect s flight from justice as many rooted for the fugitive The Disquieting Death of Emma Gill takes a close look not only at the Guilfords but also at the cultural shifts and social compacts that allowed their practice to flourish while abortion was both illegal and unregulated Focusing on the women at the heart of the story both victim and perpetrator

Biederman reexamines this slice of history through a feminist lens and reminds us of the very real lives at stake when a woman's body and choices are controlled by others
