Death Of A Bronx Cop:

Death of a Bronx Cop Tom Walker, Trinity College Dublin Tom Walker, 2007-10 A fourth generation New York cop whose great grandfather was on the force during the Civil War Draft Riots of 1863 and author of Fort Apache New York's Most Violent Precinct Tom Walker delivers another eye opening look at the life of being a cop in the Bronx In this ambitious novel based on events from his family's history Hugh Ryan a proud third generation New York police officer runs up against the most difficult challenge of his career battling the institution that has sustained his family for a century driving him to the brink

Death of the Bronx Cop Tom Walker, 1987 **The Complexities of Police Corruption** Marilyn Corsianos, 2012-08-31 The Complexities of Police Corruption provides a comprehensive examination of the role of gender as it relates to police corruption crime control and policing as an institution Author Marilyn Corsianos examines different forms of corruption including some behaviors that are generally not recognized as corruption by police departments such as selective law enforcement racial profiling gender bias and other discriminatory police practices against marginalized populations The book also explores the role of police culture in preserving and defending misconduct and digs into the thorny question of why significantly fewer women are involved in police corruption Throughout the book excerpts from interviews with 32 former police officers illustrate the complex ways that gender construction is connected to police corruption and shows how policing as an institution creates corruption risks The Complexities of Police Corruption is a challenging and insightful book about the intersections between gender and corruption

The Treacherous World of Joseph Valachi Thomas Hunt, Steve Turner, Fabien Rossat, Jon Black, Thibaut Maïquès, J. Michael Niotta PhD, Thom L. Jones, Patrick Downey, Ellen Poulsen, 2024-10-31 Joseph Valachi was a special figure in the history of American crime Noteworthy as a rare primary source into Mafia events of the Castellammarese War era 1930-1931 Valachi's documented memories also provide a window into the early gangland of East Harlem Manhattan and the Bronx Through his recollections historians gain a unique soldier level view of New York area organized crime families between Prohibition and the Mafia convention at Apalachin New York As an early Mafia turncoat and a celebrated informant for J. Edgar Hoover's FBI Valachi became the focus of a best selling book a popular motion picture many hours of televised Senate testimony and a detailed but never published autobiography The Real Thing of more than a thousand pages Despite all that attention a great deal of the true Valachi story has remained untold for decades And some of the information provided by Valachi and repeated through many years has been inaccurate Much of his life and many of his associates have been largely ignored by crime historians Neglected subjects have included the impact of Valachi on the FBI the government stresses related to the Kennedy Justice Department's desire to publicize the Valachi story and the painful birthing of The Valachi Papers in book and movie forms Now sixty years after Valachi put pen to paper to compose his memoirs a team of historians has assembled a collection of carefully researched articles in an effort to correct Valachi's flawed recollections to reveal long hidden aspects of his life and to identify and flesh out the individuals

who influenced him This Informer issue features standalone articles on various phases of Valachi s existence in and out of the Mafia society he called cosa nostra It includes dozens of separate biographies of Valachi contacts on both sides of the law and background information on his time and place The issue is illustrated with photos documents and maps In addition to this EPUB ebook format the issue is available in Kindle ebook hardcover paperback magazine and emagazine formats

People vs. Donald Trump Mark Pomerantz,2023-02-07 A fascinating inside account of the attempt to prosecute former US president Donald Trump Mark Pomerantz was a retired lawyer living a calm suburban life when he accepted an offer to join the staff of the district attorney of New York County in February 2021 His brief to work on the investigation of former president Donald Trump and the Trump Organisation Over the next year Pomerantz interviewed potential witnesses scrutinised financial records and learned everything he could about Trump s business practices He finally gathered enough evidence to support the view held by many of his colleagues on the case that Trump should be indicted for a number of financial crimes But that indictment never happened This book explains why In People vs Donald Trump Pomerantz tells the story of his unprecedented investigation why he and his colleague Carey Dunne resigned in protest when Manhattan s district attorney refused to act and why he believes Donald Trump should be prosecuted He draws from a lifetime of legal experience to tell a devastating and frequently entertaining story of how prosecutors think how criminals act and how the American justice system works and sometimes doesn t work It is a cautionary tale that explores how Trump manages to dance between the raindrops of accountability and how others might bring him to justice

Police Power and Race Riots Cathy Lisa Schneider,2014-07-17 Three weeks after Lyndon Johnson signed the Civil Rights Act of 1964 a New York City police officer shot and killed a fifteen year old black youth inciting the first of almost a decade of black and Latino riots throughout the United States In October 2005 French police chased three black and Arab teenagers into an electrical substation outside Paris culminating in the fatal electrocution of two of them Fires blazed in Parisian suburbs and housing projects throughout France for three consecutive weeks Cathy Lisa Schneider explores the political legal and economic conditions that led to violent confrontations in neighborhoods on opposite sides of the Atlantic half a century apart Police Power and Race Riots traces the history of urban upheaval in New York and greater Paris focusing on the interaction between police and minority youth Schneider shows that riots erupted when elites activated racial boundaries police engaged in racialized violence and racial minorities lacked alternative avenues of redress She also demonstrates how local activists who cut their teeth on the American race riots painstakingly constructed social movement organizations with standard nonviolent repertoires for dealing with police violence These efforts along with the opening of access to courts of law for ethnic and racial minorities have made riots a far less common response to police violence in the United States today Rich in
