

Death Of Herod

Shasha Hu

Death Of Herod:

The Death of Herod O. Wesley Allen,1997 **The Death of Herod** Richard K. Fenn,1992-07-31 This 1992 work is intended to be a taster to sociological method for students of the New Testament Richard Fenn demonstrates how fruitful the relationship between the social sciences and biblical studies can be when sociological method is imaginatively applied to the New Testament Fenn s point of departure is the particular historical event of the death of Herod the Great He focuses on Josephus account of the trials of Herod s sons the death of Herod himself and the crisis of succession which followed his death Josephus account is shown to provide a rich sociological resource in that he observes how speech was used to conceal rather than to convey individuals true interests and commitments His account also reveals the failure of the trial as a critically important institution for restoring confidence in public discourse The result the author argues is the intensification of conflict within and between generations at every level of Palestinian society

Post-Biblical History of the Jews: The Maccabees Morris Jacob Raphall,1855 **Post-biblical history of the Jews, from the close of the Old Testament till the year 70 C.E.** Morris Jacob Raphall,1856 **Post-Biblical History of the Jews** Morris Jacob Raphall,1856 The Life and Times of Jesus the Messiah Alfred Edersheim,1906 The Life and Times of Jesus the Messiah Alfred Edersheim,1887

The life of our Lord upon the earth Samuel J. Andrews,1892 A History of the Jewish Nation; from the Earliest Times to the Present Day, Etc Edward Henry Palmer,1874 The Life of Our Lord Upon the Earth Samuel James Andrews,1891

Making Jesus the Messiah Robert Brownstein,2000 Long before the time of Jesus Jewish communities spread throughout the eastern Mediterranean Many of these congregations are augmented by growing numbers of Gentiles known as God fearers who participate in the synagogue follow many Jewish practices but reject adult circumcision Soon after the crucifixion of Jesus his first followers all Jews start new congregations in Palestine and the Diaspora preaching his Jewish message Two years later in the year 35 Paul a Jew from Asia Minor will join this movement and change its character and direction forever During Paul s early missions to Diaspora synagogues he finds that these gentile Jewish sympathizers respond to his proposals for a New Israel They will provide him with the market opening he needs to start his first congregations Making Jesus the Messiah illuminates to pivotal relationship between Paul and this market segment of God fearers in the earliest history of Christianity With his first communities established Christianity is born *The Holy Days of God, The Holidays of Man* Holly M. Snead,2012-12 For two thousand years the Church Universal has celebrated the life of our Lord At Christmas we remember and celebrate his birth in a stable in Bethlehem We watch him grow to a young boy who sat at the feet of the Temple leaders and spoke wonders they could not understand We continue to watch him as he started his ministry and preached to his people of the promises of God to the people of Israel After his three years of ministry we prepare for his suffering and death and grieve at the foolishness of the people who could not believe We stand at his cross and watch as his disciples who followed him fled in fear for their lives but three days later we rejoice with the faithful women

who went to the grave to grieve the loss of their Lord To their wonder and ours we rejoice in his resurrection and celebrate the life he has given us through his suffering death and resurrection We celebrate his ascension to Heaven with his promise that he would be with his disciples in the Presence of the Spirit to teach and prepare them for his return Ten days after his Ascension we witness and celebrate the Coming of the Spirit at Pentecost and rejoice in the birth of the Church We hear the words of Peter and sit in wonder of all the Spirit promised Then suddenly the Church stops its celebration There is silence for six months until in December we return to the stable in Bethlehem and start our celebration again What have we forgotten what do we neglect What are we missing Why has the celebration stopped at Pentecost Where is the mature Church the victorious Church Where is the promised Return of our Lord in His Father s Glory Where is the Bridegroom How much longer must the Bride wait Come with us as we learn the Rest of the Story and discover all we have missed because our celebrations stop at Pentecost God calls us to celebrate the entire story from beginning to end He promised his faithful remnant that he would return to them and they would dwell with him in His Presence He promised the rejoicing would have no end Come with us as we learn and celebrate the Rest of the Story A great tragedy of modern evangelical Christianity is the failure to either appreciate or to properly interpret the incredible significance of Israel s Feast Days The prophetic content of the feast days is normally given barely a summary acknowledgement and then forgotten Holly Snead has done the Christian community a great favor in bringing to the fore not only the typological significance of Israel s festal calendar but God s faithfulness in bringing all those feast days to final fulfillment in Christ s Parousia What she brings to the reader is tremendous and exciting insight into how the NT writers applied Israel s feast days to the work of Christ If you have never considered Israel s New Moons feast days and sabbaths as they relate to the End Times you owe it to yourself to read this book Whatever you do read the Appendices These special studies are more than worth the price of the book all by themselves
